THE JANITOR'S MIGHTY FIST

Fist Paper130 2014

Alice Donald, Philip Leach

Fist Paper130 2014:

Democratic Dialogue and the Constitution Alison L. Young, 2017 Focusing on the protection of rights in the UK this book establishes a framework for interactions to better protect rights facilitate deliberation engage citizens and provide for checks and balances It further evaluates how well these values are achieved in the UK constitution now and in light of a British Bill of Rights and Brexit

Canada in the World Richard Albert, David R. Cameron, 2017-11-02 In this volume marking the Sesquicentennial of Confederation in Canada leading scholars and jurists discuss the evolution of the Canadian Constitution since the British North America Act 1867 the role of the Supreme Court in interpreting the Constitution as a living tree capable of application to new legal issues and the growing influence of both the Constitution with its entrenched Charter of Rights and Freedoms and the decisions of the Court on other constitutional courts dealing with a wide range of issues pertaining to human rights and democratic government The contributors assess how the Canadian Constitution accommodates the cultural diversity of the country s territories and peoples while ensuring the universal applicability of its provisions the role of the Court in interpreting and applying the Constitution and the growing global influence of the Constitution and decisions of the Court on legislatures and courts in other countries [Financial Regulation](#)

Financial Regulation Ester Faia, Andreas Hackethal, Michael Haliassos, Katja Langenbucher, 2015-08-14 An assessment of the current state and future prospects of financial regulation in Europe

Parliaments and the European Court of Human Rights Alice Donald, Philip Leach, 2016-08-19 The European system of human rights protection faces institutional and political pressures which threaten its very survival These institutional pressures stem from the backlog of applications before the European Court of Human Rights the large number of its judgments that remain unimplemented and the political pressures that arise from sustained attacks on the Court s legitimacy and authority notably from politicians and jurists in the United Kingdom This book addresses the theme which lies at the heart of these pressures the role of national parliaments in the implementation of judgments of the Court It combines theoretical and empirical insights into the role of parliaments in securing domestic compliance with the Court s decisions and provides detailed investigation of five European states with differing records of human rights compliance and parliamentary mobilisation Ukraine Romania the United Kingdom Germany and the Netherlands How far are parliaments engaged in implementation and how far should they be Do parliaments advance or hinder human rights compliance Is it ever justifiable for parliaments to defy judgments of the Court And how significant is the role played by the Parliamentary Assembly of the Council of Europe Drawing on the fields of international law international relations political science and political philosophy the book argues that adverse human rights judgments not only confer obligations on parliamentarians but also create opportunities for them to develop influential interpretations of human rights and enhance their own democratic legitimacy It makes an authoritative contribution to debate about the future of the European and other supranational human rights mechanisms and the broader relationship between democracy human

rights and legitimate authority **Reed and Murdoch: Human Rights Law in Scotland** Jim L Murdoch,2017-03-17
Human Rights Law in Scotland Fourth Edition provides essential practical guidance to the Scottish legal profession Written
by two distinguished authors the work explores the impact of human rights legislation in Scotland and provides a
