

The main workspace is divided into two primary sections. The upper section is a piano roll, where a purple track is selected. It displays a sequence of notes with stems and heads, along with a MIDI piano keyboard at the bottom. The lower section is a mixer, showing a vertical stack of tracks with various parameters like volume, pan, and EQ. The interface uses a dark theme with vibrant colors for tracks.

The mixer console section features a series of vertical faders for each track, color-coded to match the tracks in the piano roll. Below the faders are various knobs and buttons for adjusting parameters. On the right side, there is a master section with a master fader and other control elements. The overall layout is clean and professional, typical of a modern DAW.
