

Freud Some Literary Perspectives

G Psacharopoulos

Freud Some Literary Perspectives:

Freud David Gordon,2014-11-22 Gordon s nine essays explore the literary reception of Freud in various contexts They study the connection of his psychoanalysis to the concepts of tragedy and comedy to literary criticism as represented by Harold Bloom the cognitive challenge of his and Darwin s major theories the competition between his concept of depth and that of certain novelists the concept of memory illustrated in Proust and cognitive neuroscience the imagining of one s own death represented by post Enlightenment poetry the interpretation of Hamlet Nietzsche s idea of the good European and finally to what a cultural perspective can contribute in assessing the value of psychoanalysis today [The Reception and Rendition of Freud in China](#) Tao Jiang,Philip J. Ivanhoe,2013-05-07 Although Freud makes only occasional brief references to China and Chinese culture in his works for almost a hundred years many leading Chinese intellectuals have studied and appropriated various Freudian theories However whilst some features of Freud s views have been warmly embraced from the start and appreciated for their various explanatory and therapeutic values other aspects have been vigorously criticized as implausible or inapplicable to the Chinese context This book explores the history reception and use of Freud and his theories in China and makes an original and substantial contribution to our understanding of the Chinese people and their culture as well as to our appreciation of western attempts to understand the people and culture of China The essays are organised around three key areas of research First it examines the historical background concerning the China Freud connection in the 20th century before going on to use reconstructed Freudian theories in order to provide a modernist critique of Chinese culture Finally the book deploys traditional Chinese thought in order to challenge various aspects of the Freudian project Both Freudianism s universal appeal and its cultural particularity are in full display throughout the book At the same time the allure of Chinese cultural and literary expressions both in terms of their commonality with other cultures and their distinctive characteristics are also scrutinized This collection of essays will be welcomed by those interested in early modern and contemporary China as well as the work and influence of Freud It will also be of great interest to students and scholars of psychology psychoanalysis literature philosophy religion and cultural studies more generally *The Freudian Reading* Lis Møller,1991 In *The Freudian Reading* Lis Møller examines the premises procedures and objectives of psychoanalytic reading in order to question the kind of knowledge such readings produce But above all she questions the role of Freud as master explicator

Marx and Freud Crystal Bartolovich,David Hillman,Jean E. Howard,2013-09-11 This volume looks at Marx and Freud who though not Shakespeareans in the usual academic or theatrical sense were both deeply informed by Shakespeare s writings and have both had enormous influence on the understanding and reception of Shakespeare The first section of this volume consists of a discussion of Marx s use of Shakespeare by Crystal Bartolovich followed by an essay on Shakespeareans recent uses of Marx by Jean E Howard The volume s second half written by David Hillman juxtaposes a discussion of Freud s use of Shakespeare with a meditation on Shakespeare s use of Freud Each part can be read fruitfully

independently of the others but the sum is greater than the parts offering an engagement with two of the most influential thinkers in Western modernity and their interchanges with arguably the most influential figure of early modernity Shakespeare Literature in Critical Perspectives Walter K. Gordon,1968 Contains 4 plays 17 short stories 59 poems and 23 essays for college level students **Freudians and Schadenfreudians** Jeffrey Berman,2024-08-22 Sigmund Freud can be a polarizing figure beloved by many and despised by some Focusing on eight key writers and scholars who either passionately loved or gleefully loathed Freud this book represents Freud s wide legacy the reach of his ideas their controversies and their ability still to provoke inspire confound outrage and compel The book begins by focusing on four highly prolific authors whose admiration for Freud is boundless Lionel Trilling Harold Bloom Kurt R Eissler and Peter Gay Berman then explores four more writers whose aim was not simply to debunk Freud and destroy his monstrous creation but to cast both into hell D H Lawrence Vladimir Nabokov Thomas Szasz and Frederick Crews Each chapter discusses the author s involvement with Freud exploring the continuities and discontinuities of his or her writings as well as offering snapshots of the writers suggesting how their personal and professional lives were inextricably related Berman draws out some surprising commonalities between the Freudolaters and Schadenfreudians going on to discuss the current state of psychoanalysis and the psychoanalytic credos by which contemporary analysts live **Great Shakespeareans Set III** Adrian Poole,Peter Holland,2014-09-11 Great Shakespeareans presents a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally This major project offers an unprecedented scholarly analysis of the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to the twentieth century An essential resource for students and scholars in Shakespeare studies **The American Novel To-day** Régis Michaud,1928 Princeton Alumni Weekly ,1965 The american novel today ,1928 *An Introduction to Literature, Criticism, and Theory* Andrew Bennett,Nicholas Royle,1995 An Introduction to Literature Criticism and Theory is an indispensable guide In twenty four short compelling and highly readable chapters this book presents the key critical concepts in literary studies today Bennett and Royle avoid the jargonistic abstract nature of much theory Instead they explore crucial issues in contemporary criticism and theory by focusing closely on a range of literary texts from Chaucer to Achebe from Milton to Morrison This book is essential reading for students of literature and English Studies It can also be recommended as a general introduction for students in the humanities **Freud's Literary Culture** Graham Frankland,2000-06-05 This original study investigates the role played by literature in Sigmund Freud s creation and development of psychoanalysis Graham Frankland analyses the whole range of Freud s own texts from a literary critical perspective providing a comprehensive reappraisal of his life s work Freud was steeped in classical European literature but seems initially to have repressed all literary influences on his scientific work Frankland traces their re emergence examining in detail Freud s many

literary allusions and quotations as well as the rhetoric and imagery of his writing He explores Freud s own attempts at analysing literature the influence of literary criticism on his approach to analysing patients and his creation of psychoanalytical novels quasi literary fictions fraught with profoundly personal subtexts Freud s Literary Culture sheds new light on a multi faceted contradictory writer who continues to have an unparalleled impact on our postmodern culture precisely because he was so deeply rooted in European literary tradition *The Independent* ,1924 **The Continuum Encyclopedia of Modern Criticism and Theory** Julian Wolfreys,Ruth Robbins,Kenneth Womack,Kara Kalenius,2002-04-10 The Continuum Encyclopedia of Modern Criticism and Theory offers the student of literary and cultural studies a comprehensive single volume guide to the history and development of criticism in the humanities as the twenty first century opens While emphasizing the theory and practice of literary and cultural criticism it provides extensive coverage of related and contextual discourses as well as critical overviews of the work and reception of major figures responsible directly or indirectly for the development of those discourses in the now related areas of philosophy poetics politics aesthetics linguistics and psychoanalysis From the Foreword *School & Society* James McKeen Cattell,Will Carson Ryan,Raymond Walters,1923 School and Society ,1923 **The Journal of Neurology and Psychopathology** ,1923 *Letters* ,1927 *The Classical World* ,1926 The Classical Weekly ,1927
