

LUST vs LOVE

**Physical connection -
how it looks, smells, and feels**

**Emotional connection -
how someone makes you feel,
conversations, and support**

**All about satisfying
your own desires**

**Long-term and enduring;
it grows stronger over time**

**Short-term and intense;
it fades quickly**

**About putting the other
person first**

**Often based on superficial
qualities like looks, status,
and material possessions**

**Based on deeper qualities
like character, personality,
and values**

**Passionate and exciting,
like a rollercoaster ride**

**Compassionate and
comforting, like a warm hug**

From Lust To Love I Reminisce Over You:

The Desperate Dater's Intervention Maureen Reil, 2017-05-06 Lacey Stanmore breaks up with her controlling boyfriend. Only he insists that they are merely on a break and not broken up for good at all. However, Lacey is determined to find herself another dude to replace him instead. This idea finds Lacey falling back into old habits and she becomes a desperate dater once more. When she goes out with men that are hardly the cashmere jumper of marriage material and more like a cheap suit made of polyester since they hardly measure up to her neighbour. Unfortunately for Lacey, the man she secretly loves from afar has a long-term girlfriend so that is never going to happen. Hence, Lacey asks for advice from her flatmate when she needs a Plus One for the party she is going to the following weekend, so her friend sets up a dating intervention for her. Where she enlists the help of certain people close to Lacey so they will choose her next dates for the week ahead and by the end of it, Lacey might have found love you never know or at least something that resembles a decent date at least. Well, if you go on a series of consecutive blind dates in a row, then one of them is surely going to turn into a second date, right? This of course sees Lacey having more hilarious and some might say disastrous dates than she knows what to do with. While nobody would believe her if she wrote them all down and put them in a book, but it's true. Will Lacey get the man of her dreams or just end up with a nightmare and a headache, not to mention the heartache. This laugh-out-loud story is a British romantic comedy novel and it contains a few swear words too. So if it sounds like your cup of tea, then please enjoy it sensibly. Love is a Desire That Becomes an Appetite MonaLisa Covington, 2014-09-17 Have you ever wondered what your appetite for love would be? Have you ever questioned your internal desires or even vocalized them? Have you placed God at the center of it all? We as humans have appetites just as unique as we are. It is one of the things that can separate us from each other or bring us together. Several appetites are brought to light from abusive love to rejected love. MonaLisa says, "Refusing to forgive smothered my freedom in Christ and stunts my spiritual growth." In this book, that is very clear. This is an excellent read for those who are searching for love or wanting to love. The underlying theme seems to focus on keeping God first in our lives and in our quest for love. MonaLisa tells her story as Tiara, often called a mentor, minister, coach, and counselor. She is a woman of great wisdom when it comes to helping her family and friends figure out why they love the way they love and why they love who they love. She is an essential voice to all of them and honest in her responses to their questions. She helps them to see themselves and those they are in love with. Whether right or wrong, her voice is heard. As I read Love is a Desire that Becomes an Appetite, I saw myself in several scenarios and even took a moment to reflect just how far I had come in my quest for love. Each chapter in this book outlines the different appetites that we as people have. Some appetites are learned behavior that was passed down from our parents, and some are other behaviors that we ourselves created in an effort to protect and provide. Although some scenarios, such as the relationship between Darrius and Alexis, highlight just how precious love can be when the two put Christ first, there are other scenarios like the relationship between Jada and Darnell that can leave you questioning

your own desire to love An Appetite is an excellent depiction of how love can help us when used the correct way and with the right person or hurt us when we ourselves are hurting For the most part Love is a Desire that Becomes an Appetite brings out the best and worst in human relationships when it comes to love and even gives you a view into the author s own desire to love and be loved In her own words love is not love until it is shared with someone else Review by Robin A Stevens 2014
