Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **The Philosophy of Science Fiction Film** Steven M. Sanders, 2007-12-14 Thought provoking essays on movies from *Metropolis* to *The Matrix* The science fiction genre through films such as *Blade Runner* *Invasion of the Body Snatchers* and *The Terminator* not only entertains us but makes us think about the implications of new technologies the parameters and possibilities of space and time and in the age of artificial intelligence and robotics the meaning of humanity itself *The Philosophy of Science Fiction Film* explores the storylines conflicts and themes of fifteen science fiction film classics Editor Steven M Sanders and a group of outstanding scholars in philosophy film studies and other fields raise science fiction film criticism to a new level by penetrating the surfaces of the films to expose the underlying philosophical arguments ethical perspectives and metaphysical views **The Sequel** Jean Hanff Korelitz, 2024-10-01 Sequels are notoriously tricky Even the characters in *The Sequel* acknowledge it They're never as good as the first book are they Well this one is By shifting the focus to Anna Korelitz gives the novel what many sequels lack a sense of newness While the story grows more intricate she remains in control Her plot has a propulsive her prose precise *The New York Times* After the insanely readable Stephen King and perfectly told Malcolm Gladwell *New York Times* bestseller *The Plot* comes Jean Hanff Korelitz's equally captivating new novel *The Sequel* Anna Williams Bonner has taken care of business That is to say she's taken care of her husband bestselling novelist Jacob Finch Bonner and laid to rest those anonymous accusations of plagiarism that so tormented him Now she is living the contented life of a literary widow enjoying her husband's royalty checks in perpetuity but for the second time in her life a work of fiction intercedes and this time it's her own debut novel *The Afterword* After all how hard can it really be to write a universally lauded bestseller But when Anna publishes her book and indulges in her own literary acclaim she begins to receive excerpts of a novel she never expected to see again a novel that should no longer exist That it does means something has gone very wrong and someone out there knows far too much about her late brother her late husband and just possibly Anna herself What does this person want and what are they prepared to do She has come too far and worked too hard to lose what she values most the sole and uncontested right to her own story And she is by any standard a master storyteller With her signature wit and sardonic humor Jean Hanff Korelitz gives readers

an antihero to root for while illuminating and satirizing the world of publishing in this deliciously fun and suspenseful read
