**Twenty Years of Education Transformation in Gauteng 1994 to 2014** Maringe, Felix, Prew, Martin, 2015-05-05  
Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

**Design and Implementation of Higher Education Learners' Learning Outcomes (HELLO)** Barua, Kuntal, Radwan, Neyara, Singh, Virendra, Figueiredo, Ronnie, 2023-12-22  
The Higher Education Learners Learning Outcomes HELLO project offers a comprehensive solution to the challenge of creating comparative metrics of learning outcomes that are valid across various cultures languages and higher education institution types Traditional methods of assessing learning outcomes in higher education have limited institutions abilities to compare student performance to that of their peers hindering efforts to improve teaching practices and enhance student learning This project creates learning outcome measures that are culturally and linguistically appropriate for different types of higher education institutions enabling institutions to compare student performance to that of their peers as part of efforts to improve teaching practices and enhance student learning Design and Implementation of Higher Education Learners Learning Outcomes HELLO edited by Kuntal Barua Neyara Radwan Mohammed Virendra Singh and Ronnie Figueiredo provides a persuasive account of the HELLO project and is intended for all students teachers administrations and higher education institutions interested in improving teaching practices and enhancing student learning outcomes The book presents the challenges in traditional methods of assessing learning outcomes the limitations of diverse attempts to fill the quality information gap and the rationale for HELLO beyond collegial approaches and student centered learning The book also explores key challenges in developing and executing HELLO such as the risks of ranking and value added methodologies By offering a comprehensive overview of the HELLO project this book provides higher education institutions with the information and motivation they need to participate in the project and enhance their students learning outcomes
