My Awe-Inspiring Journey Terrie Lipsius, 2011-12-29 This is the story of one woman's amazing journey through life so far. Author Terrie Lipsius was born in Aloguinsan, Philippines, a small town in the Cebu Province. Her father was a policeman and her mother was a primary school teacher. Her high school years were happy and unforgettable, filled with special friendships. After taking a break from school for a number of years, Terrie continued her education at the university level. She proudly received her diploma for a bachelor of science in education degree, majoring in home economics. After marrying John, an Australian, she immigrated with him to Australia, where her life changed dramatically. She went from being a shy girl to being a daring but satisfied woman. After only a few months and with some fear and uncertainty, Terrie started teaching at the local high school. Once she began teaching, her feelings of apprehension were quickly forgotten. After she completed her teaching contract, she and her husband decided it was time to start a family. They were soon blessed with a healthy boy. As Terrie recalls her journey to the present and looks forward to the future, she is thankful for all the blessings she has received and wants to share that gratitude with you.

Inspiring Motivation in Children and Youth David A. Bergin, 2022-09-26
Inspiring Motivation in Children and Youth: How to Nurture Environments for Learning explores motivation and its crucial role in promoting well-being in the classroom and life beyond school. It will help all those who work with children and youth to understand and improve their motivation and to create nurturing environments for younger people. David Bergin provides a highly accessible exploration of key research examining the ways children's goals, self-efficacy, self-determination, and feelings of being cared for affect their motivation, as well as their desire to learn more about themselves and the world. This essential guide also addresses influences of competition, diversity, prejudice, and discrimination on motivation. The book provides a comprehensive look at the importance of instilling motivation at this critical age, highlighting the benefits through real-life examples and anecdotes. Illustrated with stories from diverse contexts, the author provides practical advice on how to use goals effectively, help children feel competent, autonomous, and like they belong. Inspiring Motivation in Children and Youth is for any student looking to excel in a psychological, educational, health, or social work setting, as well as professionals in the field and parents. It is targeted for people who work or plan to work with children from pre-school to high school and will be useful to teachers, youth leaders, coaches, counselors, social workers, and nurses.
