N.A.R.T. Terry O'Neil,2020-01-31 Most people with an interest in motor sport will be familiar with the acronym N A R T yet few people profess to know too much about the North American Racing Team Starting in the the second half of the 1950s NART existed for three decades during which it experienced successes on the tracks of America and Europe It also suffered financial difficulties and arguments with track organisers This book explains what NART was how it was formed and what it achieved over three decades of competition It wasn t just sports cars that were entered into races NART entered Formula One cars and Formula Junior cars as well Never as financially stable as his rival team owners Chinetti did deals with Ferrari to purchase the latest specification sports cars at the end of a season in order to attract the best drivers to drive for NART It was also an opportunity to lease the cars on a race by race basis an arrangement that appealed to some of Chinetti s clientele Whilst success on the track was significant problems were never far away Working on the cars with a limited number of staff and not receiving spares from Ferrari on time NART always appeared to be in a state of crisis No matter despite the difficulties the formula worked well for Luigi

Chinetti and the acronym N A R T has rightly become legendary **2000 Focus Workshop Manual** Ford Motor Company.
