*Policing Shanghai, 1927-1937* Frederic Wakeman Jr., 1995-02-17 Prewar Shanghai casinos brothels Green Gang racketeers narcotics syndicates gun runners underground Communist assassins Comintern secret agents Frederic Wakeman s masterful study of the most colorful and corrupt city in the world at the time provides a panoramic view of the confrontation and collaboration between the Nationalist secret police and the Shanghai underworld In detailing the life and politics of China s largest urban center during the Guomindang era Wakeman covers an array of topics the puritanical social controls implemented by the police the regional differences that surfaced among Shanghai s Chinese the influence of imperialism and Western trained officials Parts of this book read like a spy novel with secret police torture assassination and power struggles among the French International Settlement and Japanese consular police within Shanghai Chiang Kai shek wanted to prove that the Chinese could rule Shanghai and the country by themselves rather than be exploited and dominated by foreign powers His efforts to reclaim the crime ridden city failed partly because of the outbreak of war with Japan in 1937 but also because the Nationalist police force was itself corrupted by the city Wakeman s exhaustively researched study is a major contribution to the study of the Nationalist regime and to modern Chinese urban history It also shows that twentieth century China has not been characterized by discontinuity because autocratic government whether Nationalist or Communist has prevailed **Administration Reports, for the Year ...** British Guiana, 1902 **Diana Inquest: The French Cover-Up** John Morgan, 2012-06-02 Diana Inquest The French Cover Up is the gripping story of how a culture of corruption and cover up was endemic throughout the investigation into the deaths of Princess Diana and Dodi Fayed It tracks the French investigation right from the initial minutes after the crash inside the Alma Tunnel through to the conclusion by Judge St phan in September 1999 The culture of cover up that surrounded the early investigations into the crash is revealed in striking detail for example the thorough cleansing of the crash scene within several hours of the crash Using witness and

documentary evidence including what was heard during the 2008 inquest this volume reveals that Henri Paul the driver of the Mercedes was not drunk This book reveals the major difficulties faced by the inquest jury substantial portions of the most critical evidence were withheld from them This eventually resulted in a seriously flawed verdict in one of the most important jury inquests of our modern era
