## **Frog Dissection Manual:**

Frog Dissection Manual Bruce D. Wingerd, 1988 Illustrations and easy to follow instructions demonstrate how to properly dissect a frog and identify its anatomical structures      **Photo Manual and Dissection Guide of the Frog** Fred Bohensky, 2002 The Bohensky Dissection Series has been used successfully by more than 300 000 biology students nationwide Each book in the series is designed to guide the student through the study of anatomical structures The books do this through the use of clearly marked photographs and illustrations Accompanying text offers the student both easy to follow dissection instructions and factual information about the section under observation At the end of each chapter there are tests that can be used for self study or for grade course evaluation Within the traditional dissection portion of a biology course many programs include the sheep heart eye and brain Within many of these guides the author has incorporated photographs of these structures to more closely follow standard course curriculum The author also provides important information on human organs such as the eye ear and heart In this way the student can better understand the role and function of these organs as they relate to human life processes Add to this each book s large size format lay flat spiral binding and reasonable cost and you can see why the Bohensky Dissection Series has become one of the most successful dissection guides used throughout this country s schools      A Laboratory Guide to Frog Anatomy Eli C. Minkoff, 1975      *A Laboratory Guide to Frog Anatomy* Eli C. Minkoff, 2013-10-22 A Laboratory Guide to Frog Anatomy is a manual that provides essential information for dissecting frogs The selection provides comprehensive directions along with detailed illustrations The text covers five organ systems namely skeletal muscular circulatory urogenital and nervous system The manual also details a frog s major external and internal features The book will be of great use to students and instructors of biology related laboratory course
