*Elements of Theology, Natural and Revealed* James Harris Fairchild,1892      The Law and the Testimony. By the Author of "The Wide, Wide World" [i.e. Susan Warner. *Passages of Scripture Arranged According to Subjects*]. Susan Warner,1853

Renewal has always been a concern of God's people. This present volume a tribute to Pentecostal Bible scholar Stanley M Horton offers biblical and historical glimpses into the various facets of renewal throughout the history of the church. It further provides fresh insights into the outworkings of this renewal throughout the history of the church today. Essays examining the biblical themes of renewal include J G McConville's study of Renewal as Restoration in Jeremiah and J Massyngerde Ford's inquiry into the Social and Political Implications of the Miraculous in Acts. Among the essays in Part 2 Historical Studies Donald Dean Smeeton discusses how William Tyndale was a theologian of renewal. Church historian Richard Lovelace honors Professor Horton with an essay on Baptism in the Holy Spirit and the Evangelical Tradition. Part 3 Contemporary Studies explores some of the effects of the modern charismatic renewal including the appearance and growth of loving communities and the impact of renewal movements on society. These essays truly take a new tack towards understanding the various faces of spiritual renewal. They offer the specialist a challenge to see things in a new light while they afford the non specialist some practical models of renewal that can affect how he or she views Christian experience. Overall the editor and respective authors submit this anniversary volume to their colleague and friend Dr Stanley M Horton and to its readers everywhere with the hope that these sixteen studies may make a useful international contribution to scholarship and that Faces of Renewal may be found helpful to preachers, teachers and students of God's Word.      **The Chautauquan** Theodore L. Includes section Reviews of recent theological literature      **Community-Forming Power** Matthias Wenk,2004-12-10  
In past years the controversy over Luke's concept of the Spirit has centred on the ethical dimension of his pneumatology. Community Forming Power sets out to address the issue by assessing the Lukan writings in the light of evidence from Second Temple Judaism and in applying speech act theory to prophetic utterances. Wenk argues that the Spirit's role in prophecy cannot be limited to the content of the prophetic speech stripping it artificially from the

intention behind it He further argues that the anointed church continues the liberating work of the anointed messiah in embracing the marginalized and thus is instrumental in realizing good news for the poor The Christian Union ,1885
