Subject: Bursary Application letter

To Whom It May Concern

I am applying for the Absa bursary program to assist me in funding my Project Management Higher Certificate in 2023 at MANCOSA.

Getting the proper education is the first step in becoming a project manager, which is why I'm enrolling for the Project Management Higher Certificate. I will develop and be prepared for leadership roles in the future with the help of this course. Additionally, it will enable me to succeed in my current position as an administrator and give me essential abilities that go far beyond that. Being able to work for Absa in various departments will be a dream come true.

My education has been focused on this mindset: function over form, stability over showmanship. We moving to the new era of doing things digital, new fresh students from the school are needed with the skills and knowledge that will help the business to grow going forward. I am a hard-working student and education is very important to me as Nomfundo-(education). After I completed my matric, I managed to complete a financial Management Diploma and a Diploma in Public administration. Completing these two diplomas that alone shows I am thirst for education and I dream of obtaining PHD in business.

I also believe that as a future Project Manager one can make a difference to Absa society and I'm passionate about doing so. If you grant my request for a bursary, please know that I will work even harder to complete my studies. I place a great deal of value on education.

Thank you in advance for considering my request. I appreciate any opportunity which helps me achieve my academic and career goals.

Yours Sincerely,

Trace Ramulitho
