

# LINCOLN

## Film Study Guide Questions - TEACHER'S COPY

### Opening Titles

1. What is the purpose of the scene consisting of Lincoln speaking with the black and white soldiers?

Answers will vary. Students may realize that the scene demonstrates how Lincoln was able and willing to listen to the common soldiers, both black and white. The scene also raises the issue of equality for blacks who are willing to fight for the North. Also shows that Lincoln's Gettysburg Address was a source of inspiration for the North.

### Lincoln's Dream

2. Symbolically, what does Lincoln's dream represent to both Lincoln himself and to his wife?

Answers will vary, especially since this is early in the film. But students may see this as Lincoln's awareness that he is being carried forward to a place he is unsure of (in the context of the film, the consequences of the 13<sup>th</sup> Amendment). Mary Lincoln feels it is his anxiety before a big battle.

3. What is the unspoken connection that Lincoln makes between his son and the photographs?

The photographs are of black boys of a similar age. Perhaps he is making the connection that regardless of skin color, the boys are more similar than different.

### A New Amendment

4. Who is Seward, the man Lincoln is speaking with in his carriage and in his office? What role does he seem to play?
