Limpopo College Of Nursing:

Proceedings of the Second International Nursing Conference "Nursing Profession in the Current Era" (INC 2023) Ahmad Rayan, Nidal Eshah, Ghada Abu Shosha, Latefa Dardas, Kristin Wainwright, 2023-09-30 This is an open access book Nurses are the backbone of any healthcare system Recently the healthcare systems have witnessed various challenges of pandemics nursing shortage limited resources wars an increase in the burden of chronic illnesses and psychiatric disorders and an increase in senior citizens Nurses in all practice settings devote their time to helping people in need to cultivate hope for the survival of humanity Hence the idea of the 2nd International Nursing Conference came to existence from various discussions between the Faculty of Nursing at Zarqa University jointly with the Jordanian Nursing Council and other Nursing Faculties worldwide to shed light on the situation of the nursing profession in present times Holding this conference is an important station for discussion and exchanging views and experiences on the contemporary issues related to various aspects of the nursing profession in light of the challenges facing the health systems worldwide Health and Educational Success Tebogo Maria Mothiba, Takalani Mutshatshi, Irene Ramavhoya, 2023-12-06 This book discusses health and educational success from a variety of perspectives It discusses the management of various health conditions such as diabetic mellitus epilepsy mental health hepatitis and HIV AIDS It covers a broad range of topics including strategies that can be used in a healthcare setting in communication as well as transmission of knowledge from one generation to another The focus of the chapters is on patients and their families physiotherapy occupational therapy biokinetics nursing medical students and their facilitators educators and institutions of higher education As such this book is relevant to a variety of sectors in health and education

Working with indigenous knowledge Fhumulani M. Mulaudzi, Rachel T. Lebeso, 2022 The aim of the book is to assist both local and international scholars in articulating the scholarly discourse on indigenous health attitudes practices and experiences The indigenous lens that was used to generate and disseminate indigenous knowledge in this book will strengthen indigenous scholarship thus making it accessible to a wider audience In addition the information shared in this book will add value for scholars and assist them with the indigenous knowledge needed to address sustainable development goals This book is timeous and topical as the discourse on the decolonisation of the curriculum is widely debated in the higher education space The discourse on the scholarship of indigenous knowledge as the tacit local knowledge that stems from cultural practices within communities has not been well articulated in the current health science education milieu Indigenous knowledge has remained overlooked and undermined for a very long time and the information remains untapped in local communities The scholars who conducted the research on which this book is based unearthed a wealth of knowledge which was tacit in nature and translated it into implicit knowledge that can be documented and shared with other scholars globally This knowledge will assist health care scholars in benefiting from knowledge practices and cultural beliefs that will assist them in health care planning teaching evidence based practice and further research **Ubuntu** Simangele

Mayisela, Roshini Pillay, Mzikazi Nduna, 2026-02-28 **Ubuntu** A multidisciplinary perspective to understanding and application is a timely and significant contribution to contemporary African scholarship This edited volume brings together a diverse group of scholars and practitioners who engage critically and creatively with Ubuntu as both a philosophical lens and a practical framework for transformation Spanning multiple disciplines the book demonstrates the enduring relevance of Ubuntu across varied social educational and health contexts Rather than presenting Ubuntu as a static cultural ideal the chapters explore its evolving meaning and application in response to complex contemporary challenges Themes such as digital mourning feminist mentorship tele audiology early childhood development and community care illustrate how Ubuntu informs inclusive practice ethical leadership and socially responsive scholarship Rooted in interconnectedness compassion dignity and solidarity Ubuntu is positioned as a living and dynamic framework that shapes individual and collective responses to crisis including the COVID 19 pandemic The volume combines philosophical depth with thoughtful social critique offering African centred perspectives on justice resilience and social cohesion in a rapidly changing world This book will be of value especially to scholars but also to postgraduate students and research practitioners seeking rigorous contextually grounded approaches to equity healing and institutional transformation **Global Health Security**, 2024-06-19 The current book **Global Health Security Contemporary Considerations and Developments** represents a collective work of multiple authors from around the world with an ultimate goal of providing the reader with a comprehensive exploration of critical issues shaping modern global health security especially in the post COVID 19 reality of today It not only highlights the latest trends challenges and advancements shaping the field but also delves into unique topics like the impact of geopolitical tensions and barriers funding gaps intentional and unintentional misuse of social media platforms medical and health misinformation and the need for greater equity and inclusivity Moreover the book outlines potential future directions for strengthening global health security including the enhancement of multisectoral collaboration investment in research and development and promotion of health equity These are critical measures that can help address the current challenges facing our planet following the most devastating pandemic in over a century This collection of expert manuscripts provides valuable insights and practical recommendations that can help inform policy decisions and guide future research and development efforts We hope that the reader will find this book to be an essential resource especially for those looking to gain a deeper understanding of the issues surrounding global health security **Absenteeism Amongst Nursing Students in a Limpopo College of Nursing** Phoenicia Dinah Baloyi, 2014 Absenteeism Nursing student College Afwesigheid Verpleegkundestudent Kollege **Certified Nurse Educator (CNE®/CNE®n) Review, Fourth Edition** Ruth A.
