ebooks without having to fork out thousands of dollars to design and publish a book People can easily become authors  
overnight and earn income from selling online ebooks      *The Environmental Challenges of Nuclear Disarmament* Thomas E.  
Baca,Tadeusz Florkowski,2012-12-06 The end of the Cold War marked the beginning of a new era of facing the legacy of the  
arms race The enormous challenge confronting us now is to strengthen the fragile nature of the new political balance The  
beginning of this new historical period is characterized by mistrust and the best way to ease these tensions is through  
international collaborations Moreover the intimate nature of close non invasive collaborative work on environmental  
problems can help establish a secure foundation of mutual understanding and trust Environmental projects are non  
threatening to national security issues and may involve collaborations throughout the international weapons complex  
Personal and individual scientific relationships quite often spearhead agreements at the government to government level  
Environmental and nonproliferation issues are of great importance to the citizens of Russia to the states of the Former Soviet
