1. Material that accurately represents what's actually on the test.
2. Video lessons for every skill and lesson in the book.
3. Practice tests both in the book and online.
4. Flashcards online for every subject.

Features:

1. 4 Practice tests containing 1,300 realistic questions and explanations. Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like.
2. Scored practice test report. At the end of your online test you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying the time this saves you is invaluable.
