**Red Is for Rubies** Linda Mitchelmore, 2014-04-24 After a lifetime apart a twist of fate brings two old flames together asking the eternal question Once love is lost can it be found again Jonty and Lydie were each other's first love and nothing else mattered but that So when Jonty promised to buy Lydie a precious ruby necklace when his art career took off she believed him with all her heart But the ruby never materialized and Jonty left Lydie pregnant and heartbroken Nearly thirty years later Lydie is stuck in a marriage she never wanted to a man she never really loved and desperate for a way out Then a tragic set of circumstances brings Jonty back into the picture and Lydie must decide exactly what she wants from her life and if she can ever let Jonty back into it GRAND DESIGN. **Ida Lupino, Forgotten Auteur** Alexandra Seros, 2025-01-14 An archival study of Ida Lupino's work in film and television directing writing producing and acting from the 1940s to the 1970s Though her acting career is well known Ida Lupino was until very recently either unknown or overlooked as an influential director One of the few female directors in Classical Hollywood Lupino was the only woman with membership in the Directors Guild of America between 1948 and 1971 Her films were about women without power in society and engaged with highly controversial topics despite Hollywood's strict production code Working in a male dominated field Lupino was forced to manage her public persona carefully resisting attempts by the press to paint her solely as a dutiful wife and mother a continual feminization just so that she could continue directing Filmmaker Alexandra Seros retells the story of Ida Lupino's career from actor to director first in film then in television using archival materials from collections housed around the world The result provides rich insights into three of Lupino's independently directed films and a number of episodes from her vast television oeuvre Seros contextualizes this analysis with discussions of gendered labor in the film industry the rise of consumerism in the United States after World War II and the expectations put on women in their family

lives during the postwar era Seros s portrait of Lupino ultimately paints her life and career as an exemplar of collaborative auteurship
