If You Think You Are Losing Your Mind Mary Heath, 2023-08-21 My name is Mary Heath

and I am recovering from mental illness I hope this book has helped you come out of the closet It is okay to admit you need help I hope everyone that reads this book will understand that whatever is causing you stress depression or anxiety is a gift When you accept who you are and share that gift with the world your life has a purpose The pandemic isolated everyone from the world It caused everyone to be left alone with their thoughts When you are mentally ill you are always alone with your thoughts Everybody knows what it is like to live in isolation with your thoughts Now that you know what it is like to live with mental illness and overcome those negative thoughts go out and be the Good Samaritan Many people wonder if we have a disease that will cause people to become infected and lose their minds The disease will cause people to walk around like the walking dead That time has already come Covid has caused mental illness to multiply throughout the world Unfortunately the outward signs are missing but the mental illness is there The good news is there already a cure for the disease You Are The Cure
