Encyclopedia of Social Media and Politics Kerric Harvey, 2013-12-20 The Encyclopedia of Social Media and Politics explores how the rise of social media is altering politics both in the United States and in key moments movements and places around the world. Its scope encompasses the disruptive technologies and activities that are changing basic patterns in American politics and the amazing transformations that social media use is rendering in other political systems heretofore resistant to democratization and change. In a time when social media are revolutionizing and galvanizing politics in the United States and around the world this encyclopedia is a must have reference. It reflects the changing landscape of politics where old modes and methods of political communication from elites to the masses top down and from the masses to elites bottom up are being displaced rapidly by social media and where activists are building new movements and protests using social media to alter mainstream political agendas.

Key Features This three volume A to Z encyclopedia set includes 600 short essays on high interest topics that explore social media's impact on politics such as Activists and Activism Issues and Social Media Politics and Social Media and Popular Uprisings and Protest. A stellar array of world renowned scholars have written entries in a clear and accessible style that invites readers to explore and reflect on the use of social media by political candidates in this country as well as the use of social media in protests overseas. Unique to this book is a detailed appendix with material unavailable anywhere else tracking and illustrating social media usage by U.S. Senators and Congressmen. This encyclopedia set is a must have general non technical resource for students and researchers who seek to understand how the changes in social networking through social media are affecting politics both in the United States and in selected countries or regions around the world.

Key Themes Opening Essays Celebrities and Pioneers in Social Media and Politics Congressional Social Media Usage Most Active Members Measuring Social Media's Political Impact Misuse of Social Media in the Political Arena Issues and Ethics Social Media Candidates and Campaigns Social Media Politics and Culture Social Media and Networking Websites Social Media and Political Unrest Social Media and Social Issues Activism and Movements Social Media Concepts and Theorie Social Media Regulation Public Policy and Actual Practice Social Media Types Innovation and Technology
