

# HOW TO LEARN A LANGUAGE

In order to achieve your language goals, you need a strategy. Here is the framework for your language-learning success!

## SET A GOAL

Once the initial excitement wears off, language learning is a challenge, just like anything else worthwhile doing. Set goals, track your progress and motivate yourself to keep going.

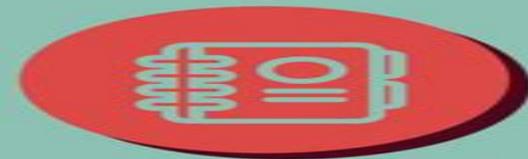

## VARY YOUR STUDY PLAN

Make motivation easy by not tying yourself to your grammar book. Study little and often. Use: flashcards, apps, videos, music, quizzes and more to keep yourself interested.

## LIVE THE LANGUAGE

You don't need to leave your home country to immerse yourself. Listen to the radio, watch TV, read simple books (even kids' e-books) and play games in your target language.

## FIND FELLOW LEARNERS

There will never be the 'right time' to start attempting to talk to native speakers, so just go for it! Find classes, meet-ups, language exchanges, online platforms and societies for your target language. Use the meet-ups to set your goals.

## REWARD YOUR SUCCESS

Keep notes of your progress so you can actually see how you are doing. Use quiz results or take note of how many flashcards you know. When you hit a target, celebrate with a new book, or best of all, a trip to a country where your language is spoken. Good luck!
