Terror by Invasion Richard Ondo,2006-07 Suddenly without warning the life preservers on everyone on the party boats started to erupt in a great explosion The party boats exploded from underneath the waterline The scene was quickly littered with debris human remains and a cloud of smoke So quick was the explosion and fire that the lake seemed to blink an eye and erase much of the carnage The wind blew the smoke from the scene What was once a heavenly voyage turned into a watery grave site Missing was the tombstones Only the seagulls seemed to be ready to pick apart the minuscule pieces of a boat ride gone mad Who is monitoring the ships and boats that pass across Lake Erie The United States is extremely vulnerable on the south shore of the lake Therefore it only makes sense to have protection in place along the northern shoreline to prevent a major terrorist act against our nuclear power plants and fresh water supply Terror by Invasion is a warning of the potential for this type of attack It s up to all Americans to be on guard for terrorist cells already operating in the United States and to become part of the plan for defending our country

The Castle Cross the Magnet Carter Kia Corthron,2016-01-26 Winner of the Center for Fiction s 2016 First Novel Prize The hotly anticipated first novel by lauded playwright and The Wire TV writer Kia Corthron The Castle Cross the Magnet Carter sweeps American history from 1941 to the twenty first century through the lives of four men two white brothers from rural Alabama and two black brothers from small town Maryland whose journey culminates in an explosive and devastating encounter between the two families On the eve of America s entry into World War II in a tiny Alabama town two brothers come of age in the shadow of the local chapter of the Klan where Randall a brilliant eighth

Jacobs,2016-04-18 I began this effort to tell the story of our ministry in order that our grandchildren might know something of our lives before they came along All of them arrived on the scene after my retirement from the Air Force Chaplaincy Most of them remember us only later after we had retired from serving Methodist churches and were living at Canyon Lake Texas Because of distances most of them have heard only bits and pieces of our Pat and myself ministry challenges throughout the world This is an effort to share with them the exciting and sometimes difficult experiences of those earlier years *Tears in the Desert* Karen V. Robichaud,2020-11-30 Eleven year old Raine Hunter s family moves from the town of Blackheart Bay Nova Scotia to Desolation Creek in the Australian Outback where her father will begin pastoring a small church But not long after they begin their new lives a tragedy befalls the family Devastated Raine s parents leave the ministry and move their family back to Blackheart Bay There Raine grows into a young woman but is haunted by the guilt she lives with because of the tragedy and the accusation and anger she sees in her father s eyes whenever she looks at him At eighteen after an ugly quarrel with her father Raine leaves home and moves to Halifax Years later Raine s father has suffered a heart attack and her brother a widowed youth pastor with two young daughters has vanished under suspicious circumstances Raine reluctantly returns to her hometown struggling with bitterness for her father fear for her missing brother and the responsibility of caring for her nieces *Christian Weekly* ,1906 **The Southern Lumberman** ,1904 **The Church Idea Book** Shane M.
