An American History** Eric Foner,2012 The leading United States History survey text now available in a brief full color edition **Give Me Liberty** DeWitt Professor of History Eric Foner, **White Freedom** Tyler Stovall,2021-01-19 The racist legacy behind the Western idea of freedom The era of the Enlightenment which gave rise to our modern conceptions of freedom and democracy was also the height of the trans Atlantic slave trade America a nation founded on the principle of liberty is also a nation built on African slavery Native American genocide and systematic racial discrimination White Freedom traces the complex relationship between freedom and race from the eighteenth century to today revealing how being free has meant being white Tyler Stovall explores the intertwined histories of racism and freedom in France and the United States the two leading nations that have claimed liberty as the heart of their national identities He explores how French and American thinkers defined freedom in racial terms and conceived of liberty as an aspect and privilege of whiteness He discusses how the Statue

of Liberty a gift from France to the United States and perhaps the most famous symbol of freedom on Earth promised both freedom and whiteness to European immigrants Taking readers from the Age of Revolution to today Stovall challenges the notion that racism is somehow a paradox or contradiction within the democratic tradition demonstrating how white identity is intrinsic to Western ideas about liberty Throughout the history of modern Western liberal democracy freedom has long been white freedom A major work of scholarship that is certain to draw a wide readership and transform contemporary debates White Freedom provides vital new perspectives on the inherent racism behind our most cherished beliefs about freedom liberty and human rights *Give Me Liberty!: an American History 5e Full Volume 1 with Ebook and IQ* Eric Foner, Professor of History Eric Foner, 2017-07 The leading text in the U S survey course
