Footwashers Following The Jesus Way:

Footwashers William Lehmann,2015-01-03 If you ve ever asked yourself Now that I m a Christian what do I do you are not alone Many wonder what happens after having received the promise of eternal life Footwashers answers the question with the words of Jesus himself creating a structure for life in the kingdom of God centered on the presence of God in the heart and moving outward with love toward our neighbor Originally the textbook for The Ethics of Jesus at Concordia University in River Forest IL Footwashers has now been made available for anyone who would like to know how the Christian faith and the Christian life relate to each other

The Johannine Footwashing as the Sign of Perfect Love Bincy Mathew,2018-11-23 Back cover Was the footwashing in Jn 13 1 20 simply an act of service or humility Bincy Mathew provides a critical and thorough exegetical analysis of the footwashing and shows that it is the symbolic prefiguration of Jesus death on the cross enacted during the last supper to manifest his perfect love for his own

Sense Perception and Testimony in the Gospel According to John Sunny Kuan-Hui Wang,2017-06-02 In this book Sunny Kuan Hui Wang explores the relationship between sense perception and testimony in the Gospel of John While Johannine scholars tend to focus on one or the other she shows that sense perception and testimony are both significant and are used together with the intention of drawing readers into the narrative so that they become witnesses in an emotionally engaged way It is argued that John s use of sense perception together with testimony is rooted in Jewish literature Yet John also employs a Graeco Roman rhetorical technique enargeia which appeals to the persuasive power of sense perception to make his narrative vivid John does not downplay sense perception Rather he uses it in the context of testimony as a means of persuasion to draw the readers in their imagination into the experience of the first disciples and thus deeper into faith and witness

Christology and Discipleship in John 17 Marianus Pale Hera,2013 Using the method of literary critical analysis to read the Johannine narrative Marianus Pale Hera underlines the profound relationship between the Johannine Christology and the Gospel s teaching on discipleship A narrative reading of selected passages from chapters 1 12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John s tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author s exegesis of John 17 confirms that John s teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John s thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait

Community of the Cross Craig D. Atwood,2010-11-01 Bethlehem Pennsylvania was a unique colonial town It was the first permanent outpost of the Moravians in North America and served as the headquarters for their extensive missionary efforts It was also one of the most successful communal societies in American history Bethlehem was

founded as a congregation of the cross where all aspects of personal and social life were subordinated to the religious ideal of the community In *Community of the Cross* Craig D Atwood offers a convincing portrait of Bethlehem and its religion Visitors to Bethlehem such as Benjamin Franklin remarked on the orderly and peaceful nature of life in the community its impressive architecture and its high culture However many non Moravians were embarrassed or even offended by the social and devotional life of the Moravians The adoration of the crucified Jesus especially his wounds was the focus of intense devotion for adults and children alike Moravians worshiped the Holy Spirit as Mother and they made the mystical marriage to Christ central to their marital intimacy Everything even family life was to be a form of worship Atwood reveals the deep connection between life in Bethlehem and the religious symbolism of controversial German theologian Nicholas von Zinzendorf whose provocative and erotic adoration of the wounds of Jesus was an essential part of private and communal life Using the theories of Ren Girard Mary Douglas and Victor Turner Atwood shows that it was the Moravians liturgy and devotion that united the community and inspired both its unique social structure and its missionary efforts [Come and See](#); Abigail Ann Young,2024-07-16 Starting with a short introduction to the Fourth Gospel and its context this book contains a beginner s commentary on John intended to be used in a study of the gospel It provides everything you need for a preliminary study of John while inviting you to a deeper reading of the text [The Blackwell Companion to Christian Ethics](#) Stanley Hauerwas,Samuel Wells,2011-02-25 Featuring updates revisions and new essays from various scholars within the Christian tradition *The Blackwell Companion to Christian Ethics* Second Edition reveals how Christian worship is the force that shapes the moral life of Christians Features new essays on class race disability gender peace and the virtues Includes a number of revised essays and a range of new authors The innovative and influential approach organizes ethical themes around the shape of Christian worship The original edition is the most successful to date in the *Companions to Religion* series

Imitation in Early Christianity Cornelis Bennema,2025-03-20 What did exhortations to follow Jesus or imitate Christ mean to early Christians Cornelis Bennema examines mimesis as a religious ethical concept in early Christianity the imitation of Jesus and other exemplars to become a better more Christlike person Situating appeals for imitation in the New Testament and Apostolic Fathers within the cultural and social context of the broader Greco Roman world Bennema shows how early Christian mimesis was not about literal replication but instead was a creative cognitive and transformative means for shaping conduct and character As part of this study Bennema explores key questions about the historic origins of early Christian mimesis the language that early Christian authors used to articulate the concept of mimesis the scope nature and workings of mimesis in each major section of early Christian literature and how early Christians navigated the challenges of imitating exemplars such as Paul or Jesus who were not physically present Offering well researched answers to these questions Bennema provides readers with a nuanced and informative picture of exhortations to imitation in the New Testament and Apostolic Fathers [The Mennonite Quarterly Review](#) ,2009 *The Life and Times of Jesus the Messiah* Alfred
