Paradigm Busters Kenyon, J. Douglas, 2015-03-01 Considered by many to be the magazine of record for ancient mysteries future science and unexplained anomalies Atlantis Rising provides some of the most astounding reading to be found anywhere Pulled from the pages of Atlantis Rising here is a collection of thirty concise and well illustrated articles by world class researchers like Philip Coppens Robert Schoch Frank Joseph Steven Sora and many others who offer thought provoking insights on some of today s most interesting if least understood topics Featuring New Vindication for James Churchward by Philip Coppens Ancient Keys to the Future by Walter Cruttenden The Legend of Markawasi by Robert M Schoch Ph D Mystery of the Montauk Monster by Steven Sora Close Encounters of the Ball Lightning Kind by Frank Joseph The Project Serpo Saga by Len Kasten Places of the Builder Gods by Freddy Silva In the articles collected for this book we hope to show that many of

the beliefs of our supposedly advanced society are a long way from knowledge particularly in the areas of modern science ancient history and today s conventional wisdom If in so doing a few sacred paradigms are busted we say let the chips fall where they may J Douglas Kenyon Editor Publisher Atlantis Rising *The Vigilant Citizen 2018 Volume 4: Sinister Sites* , Discover the profound symbolism embedded in famous monument across the world Understand how those in power communicate their true philosophy through symbols that are hidden in plain sight Contents 1 Sinister Sites The Denver International Airport 2 Sinister Sites The EU Parliament 3 Sinister Sites St John The Divine Cathedral 4 Sinister Sites Rockefeller Center 5 Sinister Sites Astana Khazakhstan 6 Sinister Sites Temple Square Utah 7 Sinister Sites Israel Supreme Court 8 Sinister Sites Illuminati Pyramid in Blagnac France 9 Sinister Sites The Georgia Guidestones 10 Analysis of the Occult Symbols Found on the Bank of America Murals 11 The Occult Symbolism of the Los Angeles Central Library 12 Sinister Sites IRS Headquarters Maryland 13 Sinister Sites The Sansevero Chapel *Confessions of an Illuminati, Volume II* Leo Lyon Zagami,2016-06-01 The Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today including the occult maneuvers behind the New World Order In this unprecedented scenario we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions The author discusses further aspects of the Satanic infiltration of Freemasonry pointing out the many ways of defending yourself psychically against black magicians as well as against the many sects operating in the Illuminati Network **Patriots Are Not Deplorable Here's Why...** Terry Watto,2022-11-03 The original book story line intended to dispel comments made by Hillary Clinton during the election campaign when she said Half of Trump supporters are deplorable irredeemable As the author researched material to refute Hillary s remarks he discovered multiple examples of intentionally misleading statements by the United States government Those misleading statements by both the government and the mainstream media in turn created false concepts that were force fed to the American public The book concentrates on the big picture of four cataclysmic events the murder of JFK Benghazi 9 11 and the alleged Russian Hoax While researching those four diabolical events amazingly the author discovered an even more sinister plan that could lead to the destruction of America as America exists today Uncovering a smoking gun document the author felt compelled to expose the awful truths every American must know It is the author s hope this book will awaken and inspire Americans to engage politically to save the republic and the American Dream [The Theory of Livevolution](#) Robert Roselli,2008-11 There is a drive for a New World Order afoot and it s not an accident The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus day are tying up some loose ends 2008 The introduction lays the groundwork for the rest of the book Section 1 posted on my website THEorYofLIVEvolution com for length purposes establishes the unique reality of Biblical Christianity This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions If you

think this scenario is outlandish the free U S non coincidentally meets every one of the criteria for atheistic Communism listed in Marx s Communist Manifesto As Section 3 discusses what They have planned for you on Mother Earth if you re worthy of evolution at least is the Nazis on steroids My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering I say this only to establish myself as a logically and scientifically grounded thinker I desire no fame or profit for this endeavor Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site Let this book be the introduction into the way the world really works and de tox much of the Orwellian re education we ve all been fed by the establishment owned education system and mainstream snews After you re done reading this introduction to the way the world really works please spend some time on my website and related links to keep abreast of our steadily unraveling descent Into the Mouth of Madness

**Story** Nick Daniel Huntley,2023-01-14 In the year 1979 a man walked into a Georgia bank with a lot of cash and he wanted  
to create the Georgia Guidestones money was not a problem however he did not want his real name to be known In 1980 a  
super strange granite stone formation was erected in Elbert County Georgia The mysterious man and his organization that  
built the Georgia Guidestones wrote down their plans and goals many years ago for the entire world to see They engraved  
their demonic desires in enormous granite stones in Elberton Georgia A set of ten guidelines is inscribed on the structures in  
multiple modern languages and a shorter message is inscribed at the top of the structures in four ancient language scripts  
Babylonian Classical Greek Sanskrit and Egyptian hieroglyphs The inscription that should concern the masses if not scare  
most of us says maintain humanity under 500 000 000 in perpetual balance with nature Author Nick Huntley explains how  
the New World Order and the Guidestones are connected and have a common goal to depopulate the entire Earth The  
strange rock formation is a lot like a southern version of Stonehenge Most people see these guide stones as part of the New  
World Order which is upon us right now Others see these Georgia Guidestones as the Ten Commandments of the coming  
Antichrist The shadow government and world leaders have been planning to depopulate the earth for a very long time and  
that time is now Many people believe the vaccinated will die the unvaccinated will be hunted If you don t know the insidious  
people involved inside the Illuminati and the New World Order operate in plain sight They move around right in front of us in  
such a way where most people don t see what they are up to I think that their arrogance is part of it
