Guide The Progressive Era:

The Progressive Era Francis J. Sicius, 2015-05-26 This fascinating guide documents the transformation of government from passive observer to active participant and ally of the American people during the late 19th and early 20th centuries. The progressive impulse that energized the United States between 1890 and 1920 forever altered the nature of American government and its relation to its citizens. This book was written to reveal the challenges Americans faced during the Progressive Era and to show how their responses helped transform the nation. Combining a narrative on the era with biographies of key participants, significant primary sources, and an annotated bibliography, the topically organized volume offers a lively contextual guide to one of the great turning points in American history. In addition to covering the major political events of the era, the guide provides profiles of prominent Progressive figures such as Eugene V. Debs, Mother Jones, Margaret Sanger, Jacob Riis, and W. E. B. DuBois. Teddy Roosevelt, Woodrow Wilson, and the National Progressive Agenda are covered, as are the Muckrakers, the African American struggle for equal rights, the women's suffrage movement, and efforts to better the conditions of factory workers. The guide also details the rise of the American Empire as the United States took its place on the world stage. The most recent historiography is interwoven throughout. **Progressive Reform** John D. Buenker, Nicholas C. Burckel, 1980 [Gale Researcher Guide for: Overview of the Progressive Era](#) Tamara Venit Shelton, 2018-09-28 Gale Researcher Guide for Overview of the Progressive Era is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research. *Progressive Era: a Captivating Guide to a Period of Social Activism and Political Reform Along with the Life of Theodore Roosevelt* Captivating History, 2022-10-04 [The Progressive Era: a Captivating Guide to a Period in American History Filled with Political Reforms and Social Activism](#) Captivating History, 2022-09-20 **America in the Progressive Era, 1890-1917** Lewis L. Gould, Courtney Q. Shah, 2021-03-14 Now in its second edition, *America in the Progressive Era 1890-1917* provides a readable analytical narrative of the emergence, influence, and decline of the spirit of progressive reform that animated American politics and culture around the turn of the twentieth century. Covering the turbulent 1890s to the American entry into World War I, the text examines the political, social, and cultural events of a period which set the agenda for American public life during the remainder of the twentieth century. This new edition places progressivism in a transatlantic context and gives more attention to voices outside the mainstream of party politics. Key features include a clear account of the continuing debate in the United States over the role of government, citizenship, and the pursuit of social justice; a full examination of the impact of reform on women and minorities; a rich selection of documents that allow the historical actors to communicate with today's readers; an extensive, updated bibliography providing a valuable guide to additional reading and research. Based on the most recent scholarship and written to be read by students, this book will be of interest to students of American History.
