Tomaney**

Guide Regional Economies Create Differences:

Handbook on Regional Economic Resilience Gillian Bristow, Adrian Healy, 2020-02-28 This Handbook provides a collection of high quality contributions on the state of the art in current debates around the concept of regional economic resilience It provides critical contributions from leading authors in the field and captures both key theoretical debates around the meaning of resilience its conceptual framing and utility as well as empirical interrogation of its key determinants in different international contexts

Handbook of Local and Regional Development Andy Pike, Andres Rodriguez-Pose, John Tomaney, 2010-11-17 The Handbook of Local and Regional Development provides a comprehensive statement and reference point for local and regional development The scope of this Handbook s coverage and contributions engages with and reflects upon the politics and policy of how we think about and practise local and regional development encouraging dialogue across the disciplinary barriers between notions of local and regional development in the Global North and development studies in the Global South This Handbook is organized into seven inter related sections with an introductory chapter setting out the rationale aims and structure of the Handbook Section one situates local and regional development in its global context Section two establishes the key issues in understanding the principles and values that help us define what is meant by local and regional development Section three critically reviews the current diversity and variety of conceptual and theoretical approaches to local and regional development Section four address questions of government and governance Section five connects critically with the array of contemporary approaches to local and regional development policy Section six is an explicitly global review of perspectives on local and regional development from Africa Asia Pacific Europe Latin America and North America Section seven provides reflection and discussion of the futures for local and regional development in an international and multidisciplinary context With over forty contributions from leading international scholars in the field this Handbook provides critical reviews and appraisals of current state of the art conceptual and theoretical approaches and future developments in local and regional development

Handbook of Research on Special Economic Zones as Regional Development Enablers Figueiredo, Paulo Guilherme, Leandro, Francisco José, Li, Yichao, 2021-10-15 Special economic zones SEZs are important doorways for countries to attract foreign investment and promote trade A strong correlation between the creation of SEZs and economic development indicators has also been identified in previous studies at the municipal level in China Thus the fundamental question that needs to be explored is to what extent SEZs can play the role of development enablers in different regions development states and institutional settings The Handbook of Research on Special Economic Zones as Regional Development Enablers discusses the diverse and international track records in the implementation of SEZs the interplay of SEZ models and local institutional infrastructure and stakeholders and the SEZ models that can best fit certain development states and or settings Covering topics such as the Belt and Road Initiative local and national economies and regional integration this book is essential for government officials development officers scholars

students researchers entrepreneurs public decision makers aid agencies company executives investors and academicians

The Routledge Handbook of Philosophy, Politics, and Economics C.M. Melenovsky,2022-05-02 This handbook advances the interdisciplinary field of Philosophy Politics and Economics PPE by identifying thirty five topics of ongoing research Instead of focusing on historically significant texts it features experts talking about current debates Individually each chapter provides a resource for new research Together the chapters provide a thorough introduction to contemporary work in PPE which makes it an ideal reader for a senior year course The handbook is organized into seven parts each with its own introduction and five chapters I Frameworks II Decision Making III Social Structures IV Markets V Economic Systems VI Distributive Justice VII Democracy The Frameworks part discusses common tools and perspectives in PPE and the Decision making section shows different approaches to the study of choice From there parts on Social Structures Markets and Economic Systems each use tools from the three PPE disciplines to study and distinguish parts of society The next part explains dominant theories and challenges to the paradigm of Distributive Justice Finally a part on Democracy offers five challenges to current democratic practice

The Oxford Handbook of Modern Scottish History T. M. Devine,Jenny Wormald,2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation s key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike
