LIFE'S CHANGES KERMIT E. BEAVER

JR.,2015-07-07 Life s Changes began in 2006 when I was 46 years of age In a discovery I made I always knew about this life

but never really experienced it The hypocritical life I lived was saying one thing and doing the other In the dark world I lived in a new light shined and a new life began In a six year period everything that could go wrong happened but for the right reasons This changed me and the life I live today I hope that by you reading this book it will help change your life and save you from the disasters pitfalls and traps that I experienced In the end you may be able to understand how your life can change as well Life s Changes is based on a true story and only by reading the book you will see a new light and a new life
