**Parliamentary Papers** Queensland. Parliament. Legislative Assembly,1991     The Reference Catalogue of Current Literature ,1910     Prosody and Purpose in the English Renaissance O. B. Hardison Jr.,2019-12-01 Originally published in 1989 In *Prosody and Purpose in the English Renaissance* the eminent scholar O B Hardison Jr sets out to recover the special kinds of music inherent in English Renaissance poetry The book begins with a thorough and wide ranging survey of the development of prosodic theory from the ancient ars metrica tradition to the sixteenth century with special emphasis on such issues as the relation of verse form and genre the relation of syntax to prosody and the role of language reform in shaping Renaissance prosody The second part of the book considers the impact of prosodic traditions on specific literary works and verse forms among them Surrey s Aeneid Heywood s translation of Seneca s Thyestes Sackville and Norton s Gorboduc and the dramatic and epic verse of Marlowe Shakespeare Spenser and Milton Throughout Hardison examines not only how poets crafted their verse but why He explores authorial purposes ranging from technical attempts to match sound and genre to the lofty aims of improving the vernacular or ennobling culture from the dramatist s practical search for verse forms suited to the stage to Milton s quest for a meter fit to convey divine relation     **Motivation to Learn Multiple Languages in Japan** Chika Takahashi,2022-11-22 This book provides rare insights into motivation among extremely successful learners of English and languages other than English LOTEs through the analysis of a longitudinal study and the examination of the factors involved in becoming multilingual in a non multilingual environment Based on sixteen interview sessions conducted over the course of nine years while the learners progressed from high school to the world of work this book offers the story of how two learners persist in English LOTE learning The study illuminates the long term processes through which the interviewees develop ideal English LOTE selves in an environment where multilingualism is not emphasized and where both English and LOTEs can still be described as foreign languages Educators and researchers will learn from this study which stretches our understanding of motivation beyond the recent theorizing of L2 motivation and contributes to the limited research in long term motivational trajectories and LOTE learning motivation which is particularly scarce in non European contexts The book will be of interest not only to readers in Japan but also to those in other contexts as it offers an example of successful learners who go beyond the pragmatic and instrumentalist view of language learning to hold a more holistic view thus revealing the factors which can sustain multiple language learning even in foreign language contexts     The Nation ,1918  
**Challenges and Prospects in Second Language Enrolment** Stephanie Richey,2025-10-28 This book provides a contextual examination of the factors that affect students elective second language L2 study in Australia It investigates why Tasmanian students do or do not choose to enrol in an elective second language at school and explores relationship of motivational factors that affect their decisions This is a case study of one education system but the findings are relevant to others globally With the field of L2 research turning attention to motivations around languages other than English LOTEs this

book provides a unique account of adolescent students LOTE experiences in an Anglophone setting It demonstrates there is a complex ensemble of factors that affect subject choice and enrolment decisions regarding elective second language learning In the face of Global English these findings address a gap in the research of adolescent LOTE learners the majority of who have English as a first language and thus motivations for language learning vastly differ from those wanting to learn English as an additional language The findings outlined in this book are valuable as they consider the practical implications for school language programmes This book will be of interest to scholars teachers and policy makers globally wishing to gain further insight into motivational factors affecting L2 enrolment *Modern Language Forum* ,1930 Guide to Reprints, 1985 Ann S.
