Love Circle Relationship Lessons Learned And Shared:

Love Circle Robert Treadwell, Muriel Treadwell, 2014-11-07 Love Circle Relationship Lessons Learned and Shared contains stories of relationships that ultimately drew Mr Robert Debonair Treadwell to understanding what True Love is and what it means to be a Real Man that is able to love a Real Woman Husband Father Pastor Author and Musical Artist Robert Debonair shares in this new book the many relationship lessons learned which helps him succeed in his marriage of 21 years The results of these lessons allow him to speak with compassion to others with hopes that they can enjoy relationships of the same caliber Love Circle is a metaphor describing the love relationships people have throughout the course of life This world contains different people cultures and dialects but the common denominator for every person who has walked the face of this earth is the desire to love and be loved According to Mr Treadwell life itself is the big Love Circle and while on the journey people express or experience love in broad or narrow strokes Each relationship of love rather parental kinship and or romantic takes its course on the love circle of life God has blessed Robert Debonair to express his love circle through this book and the album Love Circle Experiencing the Many Degrees of Love being released soon In an excerpt from the book Robert shares I have only been in love once in my life There were women I loved cared for tremendously or was in lust This book addresses the various feelings I had over the course of my relationships This book is not a tell all book It only shares stories that provided a fundamental thinking for the songs with which they correlate More importantly the intention for this book is to share the lessons learned from a life style such as mine My road map to figuring this out was bumpy As I shared and made absolutely clear with the many people my wife and I counseled I m not an expert on relationships I m still a work in progress However I m moving forward striving to do the right thing by utilizing God s Word as my guide in conjunction with what I learned through my life experiences That is why each chapter concludes with a Love Circle Message Mr Robert D Treadwell III believes that if people would actually become transparent and share their relationship failures and successes maybe more people will know and experience the joys of their own Love Circle relationships Love Circle is his attempt to start such a dialog

The Gospel and the Grateful Dead The Rev. Dr. Pitman B. Potter, 2014-04-24 This book examines the linkages between the music and message of the Grateful Dead and the Christian gospel The Grateful Dead emerged from the San Francisco hippie scene in the late 1960s and offered a message of community and divine encounter While the Dead drew on the teachings of many spiritual traditions the band s ethos echoed quite powerfully the wisdom of Christian Scripture This reflection examines the ways in which the Grateful Dead embodied Christian teachings in areas of community praise and service The Grateful Dead left an enduring legacy whose power and longevity stem in significant part from the confluence of values between the Gospel and Grateful Dead

word written here I see you I hear you And I know with absolute certainty that your potential is limitless This is for the little boy I once was lost and alone clutching the tattered pages of a worn out book finding solace and escape in the worlds contained within That boy who learned early the harsh realities of a world that often forgets its most vulnerable found hope in the power of words a hope that blossomed into a life beyond his wildest dreams He taught me that even amidst the deepest shadows a single spark of hope can ignite a fire that burns bright enough to illuminate the darkest night This is also dedicated to the memory of my parents whose love remains a beacon guiding me through the storms of life Though their physical presence is gone the values they instilled the lessons they taught and the immeasurable love they shared continue to shape who I am today Their memory is the cornerstone of my life the foundation upon which I have built my successes and the guiding star that directs my philanthropy Their unwavering belief in me even in their absence is the strongest testament to the enduring power of love and the strength of the human spirit Finally this book is dedicated to everyone who has ever felt lost alone or forgotten Let this story be a testament to the indomitable strength of the human spirit the transformative power of hope and the undeniable truth that even from the ashes of despair we can rise again stronger and more determined than before Your journey your story matters Your voice deserves to be heard And your future is as bright as the limitless potential within you Believe in yourselves as I learned to believe in myself and never ever give up on your dreams
