

Loracle Des Vortex

Richard Hibbs

L'Oracle Des Vortex:

L'Oracle Des Vortex Micheline Ruch, 2012-08-01 Il s'agit d'un jeu de 78 Oracles crée en état de conscience modifiée sous guidance divine. Les vortex sont partout présents dans la nature. Que ce soit dans l'univers ou sur notre planète dans le corps humain et bien entendu les chakras, les vortex existent. Les vortex sont le symbole d'une porte entre deux mondes, deux univers. Les vortex sont énergies et sources d'énergies. Certains comparent les anges des vortex énergétiques. Les vortex sont des expressions de la Vie qui s'expriment par cette apparence dans la matière. La science découvre de plus en plus l'action des Vortex et leur rôle important dans la manifestation de la vie. Possibilités de l'Oracle des Vortex Travail de développement personnel. Guidance journalière. Recevoir des conseils pour toutes les situations et résoudre les problèmes. Répondre une question par oui ou non. Aide pour faire un choix. La pratique de l'Oracle des Vortex est simple et pourtant offre plusieurs possibilités de recevoir de l'aide que ce soit pour la vie quotidienne et les difficultés qui y sont rencontrées que pour faire un travail psychologique que ce soit dans une recherche spirituelle ou simplement trouver un guide pour faire un choix. L'Oracle des Vortex est un compagnon tout au long de l'existence.

Les Multiplicateurs Liz Wiseman, 2022-05-10 Nous avons tous besoin de plus de multiplicateurs autour de nous. Dans le monde du travail, il existe deux types de leader et deux styles de management radicalement différents. Certains leaders drainent les capacités et l'intelligence de leurs équipes, alors que d'autres les amplifient pour produire de meilleurs résultats. Vous avez sûrement déjà croisé ces deux styles de management au travail. Le premier draine l'intelligence, l'énergie et les capacités des personnes qui l'entourent et doit toujours être au centre de l'attention. De l'autre côté se trouvent les leaders qui utilisent leur intelligence pour amplifier l'intelligence et les capacités des personnes qui les entourent. Ce sont les leaders qui incitent les employés à se dépasser pour obtenir des résultats qui dépassent les attentes. Ce sont les multiplicateurs. Augmentez les performances de votre entreprise. Ayant analysé les données de plus de 150 dirigeants, l'experte en leadership Liz Wiseman a identifié cinq disciplines qui distinguent les Multiplicateurs des Diminuteurs. Ces cinq disciplines sont des compétences relationnelles, organisationnelles et managériales portées de tous et peuvent avoir un réel impact sur la rentabilité de l'entreprise. Devenez un Multiplicateur. Apprenez à développer vos compétences afin de devenir un Team Leader inspirant. Attirez les talents, engagez vos collaborateurs et stimulez l'innovation. Ce livre fournit tous les outils vous permettant d'identifier concrètement ces deux styles de management et de leadership. De développer les cinq compétences, mettre en pratique afin de devenir un leader bienveillant et inspirant. De mettre en place un environnement de travail stimulant et innovant. Si vous faites la recherche d'un livre sur le leadership ou le développement des compétences tels que *L'intelligence émotionnelle* de Viola Di Russo ou *La série Pourquoi* de Simon Sinek, alors *Multiplicateurs* sera le choix idéal pour votre prochaine lecture.

L'héritage des dieux Freddy Silva, 2013-07-23T00:00:00-04:00 Les textes anciens du monde entier disent des sites sacrés que ce sont des entités vivantes où les gens peuvent entrer en contact avec l'univers invisible pour découvrir la sagesse secrète transmise du fond des âges. Il existe des preuves indiquant que ces lieux de

pouvoir ont effectivement t construits pour capter l nergie magn tique et modifier l tat de conscience **Retour à l'Unité**
