The Vietnam War

During the 1950s and 1960s, the United States helped another war against Communist forces in Asia—the Vietnam War. Vietnam is a country in Southeast Asia. It was divided into two sections—South Vietnam and North Vietnam. South Vietnam was controlled by Communists, and North Vietnam was controlled by a government friendly to the United States. The Communists in North Vietnam wanted to take over South Vietnam.

Combat in Vietnam

The United States decided to help South Vietnam stop the spread of Communism. The war happened because many people thought that if South Vietnam became Communist, it would mean that Communist control, too, had no limits at the “Iron Curtain Theory.”

Other nations also knew that support helped one side or the other in the war.

South Vietnam Allies	North Vietnam Allies
United States	Soviet Union
Australia	China
Thailand	
New Zealand	Philippines

At first, the United States just provided aid and advice to South Vietnam. However, American soldiers were sent. By the end of the 1960s, the United States sent regular troops rather than just military advisors to Vietnam. Americans were divided over whether

they should send soldiers to the United States should be involved in Vietnam. There were many protests against the war.

“Old Enough to Fight, Not Strong to Fight”

Read about the Vietnam War combined in the edition of the 50th Anniversary of the US Constitution. Readers expect that if men could be sent to fight in America at 18, they should be able to vote at 18. The questioner wanted the voting age from 17 to 18.
