

## How to Make a Better Robot

by Paulina

Many people think that robots are just machines just as machines. It's nothing more than a bunch of gears and wires that do what you tell them to do. It's not just the gears and wires that you see, it's the things that you can't see. While it may seem like something you can't see, there are many things that you can't see. While it may seem like something you can't see, there are many things that you can't see. While it may seem like something you can't see, there are many things that you can't see. While it may seem like something you can't see, there are many things that you can't see.
