

A close-up photograph of a car's manual transmission. The central focus is the black, leather-like gear shift knob, which is mounted on a silver-colored metal housing. To the left, the top of a brown leather seat with black stitching is visible. Below the gear shift, the clutch pedal is partially visible. The background shows a dark, textured surface, likely the car's floor or center console. The overall lighting is bright, highlighting the textures of the leather and metal.
