Does This Make My Assets Look Fat? Susan L. Hirshman,2010-09-14 As Susan Hirshman sees it the rules of successful dieting are the same rules that apply to successful money management In this upbeat and informative guide she offers women a 3 phase personalized plan that follows common dieting programs to help them understand their finances The structure of the book is consistent with that of a typical diet book it includes an evaluation phase an induction phase and a maintenance regimen Susan offers specific advice on topics that matter most to women including how to develop realistic and attainable goals how to make smart financial decisions how to determine the best way to invest based on a reader's investment personality and how and when to get professional help from a financial advisor all

while relating it back to a theme that practically every woman has experienced at least once in her life dieting Susan's program completely removes the intimidation factor that often accompanies the words personal finance and investing and provides women with all the information they need to take control of their financial situations once and for all *Work Your Money, Not Your Life* Roger Ma, Jennifer Ma, 2020-03-31 Your all in one guide to getting your career and finances in order for greater clarity happiness and peace of mind Studies show that if you're like the majority of young professionals you feel dissatisfied with your job your finances or your overall station in life It can seem impossible to disentangle the work stuff the money stuff and the personal stuff because they're all inextricably linked But the good news is you don't have to go at it alone *Work Your Money Not Your Life* is your all in one guide to achieving both your career and financial goals so that you can get where you want to be In his debut book Roger Ma an award winning financial planner and a publisher strategist at Google offers secrets on how you can craft a meaningful career gain financial comfort and achieve a greater sense of purpose And the premise behind it all is this money affects every part of our lives Simply by sorting out your personal finances and it isn't as bad as it sounds you can build a foundation from which you'll be able to find the right career path visualize your desired lifestyle and turn your dreams into a reality You'll learn how to Relieve yourself of the work money and personal stressors that keep you up at night Dispel the job myths that are preventing you from a more rewarding career Apply the fundamentals of personal finance to your unique situation without all the confusing jargon Prioritize and balance your career and money needs through exercises and easy to use templates launching yourself on the path to the life satisfaction you desire When the life you're living and the life you want to live don't match up everything feels off balance Where do you begin trying to connect the dots Start with this book Through accessible practical advice you'll learn the career and financial strategies you need to live the life you deserve *You Only Live Once* Jason Vitug, 2016-05-31 Get your finances in order with smart budgeting and money mindfulness *You Only Live Once* is the guide to achieving your best life through smart money moves Before you even begin making a budget you need to think about why Where do you see yourself financially in ten years Five years This time next year What does money do for you Once you know your destination you can begin charting your course Step by step guidance walks you through the budgeting process and shows you how to plan your financial path to point toward your goals You'll learn how to prioritize spending how to save efficiently and how to take advantage of simple tools you didn't know you had Next comes the most important part taking control You need to really look at how you perceive and use money day to day Chances are changing a few habits could give you some breathing room and help you reach your goals sooner You work hard for your money yet there never seems to be enough You don't need to live like a pauper but you need to be truly aware of just where your money is going and why Financial awareness is the key to a financially secure future and this book unpacks it all to help you get where you want to go Accept past decisions and articulate your financial goals Align your lifestyle with your budget Explore your relationship with money Re-evaluate financial habits and behaviors You know

you need a budget but you never seem to get around to doing it Or maybe you did but you can never seem to stick to it Smart planning is a major factor in financial security and it involves just as much introspection as math You Only Live Once is more than a budgeting guide it s a guide to revamping your financial behaviors to achieve the life you want
