Please note: these notes are an amalgamation of various textbooks and websites. I have included a *List of References* at the end of the document. Some of the sources have been used verbatim and some paraphrased to suit the style of these notes. All poems are reproduced as they appear in "Imagined Worlds" (An Anthology of Poetry) by C. McIntyre, S-J Olivier and E. Varga. Feel free to amend and use these notes as you see fit.

I have added sets of questions which appeared in 2023 and 2024 examinations (from various provinces and the National paper) after most question sets. These can be used as consolidation AFTER the general questions are answered.
