MISSION STATEMENT: The purpose of EASL is to advance the field of evaluative practice and enhance networking and professional development opportunities for evaluators in the greater St. Louis metropolitan area.

TARGET AUDIENCES: Young professionals, evaluators

LOGO

EASL logo is available in horizontal direction. There is no other variation.

Logo is available at www.easl.org

Primary Logo

COLOR

Primary colors are blue (EASL Blue) and dark grey (Starkley Grey). Secondary colors are green (Sensate Green), yellow, and orange. Secondary colors are chosen to work well together and with primary colors. Tints of the colors can be used to provide depth and variety to the design. Only RGB codes are provided. For more color information go to EASL color palette at www.easl.org.

FONT

Source Sans Pro family (use for heading and main body text). It provides a generous variation of a font, however, Source Sans Pro ExtraLight is not recommended because it can be visually challenging.

Source Sans Pro Light for body text or footnotes

Source Sans Pro Regular for body text

Source Sans Pro Semibold for subheading

Source Sans Pro Bold

*ExtraLight and ExtraBold are alternative forms when Source Sans Pro is not available.

Rockwell family (use for decorative purpose such as headings in a flyer). Rockwell Condensed sometimes can be visually challenging. Keep it in minimal use.

Rockwell Extra Bold

CHART

Blue and green serve as the primary colors for chart design, with light grey and tints of color used for de-emphasis.

Using combination of blue and dark grey in charts may not create a clear contrast and can be visually challenging in prints.

Secondary colors are used for multiple variables.

How To Create A Style Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download How To Create A Style Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download How To Create A Style Guide has opened up a world of possibilities. Downloading How To Create A Style Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading How To Create A Style Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download How To Create A Style Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading How To Create A Style Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading How To Create A Style Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download How To Create A Style Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
