Fighting Destiny The Fae Chronicles English Edition:

Fighting Destiny Amelia Hutchins, 2013-06-02 What started out as a strange assignment lead to one of the most gruesome murder mysteries of our times My friends and I are set and determined to find out who is killing off Fae and Witches alike
Taunting Destiny Amelia Hutchins, E & L Editing Services, Vera Digital Art and Photography, 2013-09-18 Adam and I are both going through identity crises of epic proportions as we Transition from who we were and discover who we were meant to be More Fae are dying and I feel as if time is running out for us to find all of those responsible and put an end to the killings The people I thought I could trust have betrayed me and the one person I should absolutely not trust is taking me deeper and deeper into his world Ryder s secrets are dangerous and devastating With each touch and word he pulls my heart closer to himself and at the same time he is trying to keep me at arm s length The dance he and I have begun is getting more complicated as our worlds are being shaken from all sides and the visions of the future are frightening and nothing like I had ever pictured for myself or those I care for This time destiny is taunting me I had always thought that I controlled my destiny Now my rights are being taken from me by powerful people and leaving me with alternatives that range between bad and awful This time the choices I have to make can decide the fate of both worlds Everything is unraveling and nothing will ever be the same again Synthia

Embracing Destiny Amelia Hutchins, 2020-04-28 War has finally come to Faery Everything I thought I knew was wrong Truths have become lies and they have all begun to unravel around us I can no longer trust my instincts Ryder has changed but so have I We re evolving but into what I m not sure but I do know that it isn t what I wanted to become I don t know if I will survive this war One of us is holding back while the other continually moves forward toward the mages who endlessly slaughter the fae I think it s me I think I have to lose it all to gain what is missing inside of me How do you eradicate self when self is what you ve been fighting for Throw everything you think you know about the fae away Nothing is sacred and no one is safe from the monsters we re about to become

Seducing Destiny Amelia Hutchins, 2015-01-20 Less than six months ago my life was twisted and flipped on its side Things have changed so much I barely recognize myself anymore I am no longer an Enforcer I am no longer a Witch I no longer hate the Fae For the most part And the sex on a stick gorgeous Fae He isn t really the Dark Prince No he is the father of my children and with the babies on the way the land dying and the Mages closing in alliances will have to be formed if we are all to make it through the war that is coming to our front door Between warring Gods and Goddesses how are any of us supposed to win The Fae Chronicles reading order is as follows Fighting Destiny Taunting Destiny Escaping Destiny Seducing Destiny
