great however we don't recommend it. Make sure any practice test workbook you buy checks off these items:

1. Material that accurately represents what's actually on the test.
2. Video lessons for every skill and lesson in the book.
3. Practice tests both in the book and online.
4. Flashcards online for every subject.

Features:

1. 4 Practice tests containing 1,300 realistic questions and explanations. Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like.
2. Scored practice test report. At the end of your online test you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying the time this saves you is invaluable.
3. Online video lessons. You'll have access to over 100 video lessons covering every topic and lesson on the test. People like to learn in different ways it's likely you would benefit from having both chapters in print as well as a video lesson to talk you through it.
4. Online flashcards for every subject with over 400 flashcards. Flashcards are essential to reinforce what you are learning it's safe to say you won't find any other study guides that include online flashcards.

Amazing! You made it all the way to the end of this product description. So what are you waiting for? If needed go back to the top and re-read the part about you walking out of the test with a big smile on your face after passing. It's your day it's your time let's do this!

don't want to waste time and money having to study all over again because your score was too low to be accepted by your school of choice. You want to accelerate your education, not miss opportunities for starting your future career. Every year thousands of people think that they are ready for the GED but realize too late when they get their score back that they were not ready at all. They weren't incapable and they certainly did their best but they simply weren't studying the right way. There are a variety of methods to prepare for the GED and they get a variety of results. Trivium Test Prep's Secrets to Outsmart the GED provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the GED exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our GED study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand and have fully explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. GED practice questions are included so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept-driven, not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our GED study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, how to study for it. Trivium study guides are different. Our dedicated professionals know how people think and learn and have created the GED study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our GED study guide is specifically tailored for your exact needs.
