

How to measure a Bearing.

A close-up photograph showing a person's hands using a protractor to measure a bearing on a map. The map is open, and a line is drawn from a point on the map to another point. The protractor is placed over the map, and the hands are adjusting it to measure the angle. The background is a map with various colors and lines. The text "How to measure a Bearing." is overlaid on the image in a large, white, rounded font with a blue outline.
