Mindfulness in Internet and New Media Wen-Ko Chiou,Chao Liu,Hao Chen,Shuhua
Zhou,2023-10-24 Mindfulness is about being aware in a certain way being consciously aware on purpose living in the present
moment without mental judgment In addition to the in depth application of mindfulness in different subdisciplines of
psychology e g social personality clinical developmental health organizational there is also a trend toward cross fertilization
with other social and behavioral disciplines e g design kinesiology sociology family studies education anthropology
neuroscience philosophy economics medicine organizational science However the application of mindfulness in the field of
communication is limited With the rapid development of the Internet and new media the study of Internet communication is
growing rapidly The Internet and new media make it easy to connect with others explore a new world and regard cyberspace
as an extension of one s own thoughts and personality Nevertheless when people use the Internet and new media mindless
they will easily experience the social effects on their virtual selves and encounter psychological problems e g network
morality network anxiety network pornography network addiction and cyberbullying which has become a widespread and
serious problem As an important part of positive psychology mindfulness intervention has been proved to help improve a
series of negative psychological states and promote positive emotions and subjective well being However what theoretical
and practical contributions can mindfulness in the Internet and new media bring remains unknown Thus this Research Topic
focuses on the influence and intervention of mindfulness on the psychological problems caused by the network new media
communication We welcome high quality studies using a variety of research methods including quantitative qualitative mixed
methods and reviews on the second generation of mindfulness interventions and other meditation based interventions e g
focused attention meditation transcendental meditation and loving kindness meditation This Research Topic encourages
submissions that cover but are not limited to the following topics 1 The internet and new media guided mindfulness and
loving kindness meditation practice 2 Mindfulness and interpersonal communication in the network network trust network
security network intimacy 3 Mindfulness and network clustering behavior 4 Mindfulness and online consumer psychology 5
Mindfulness and cyber moral psychology cyberbullying cyber altruism and prosocial behavior 6 Mindfulness and online
pornography 7 Mindfulness and internet addiction 8 Mindfulness and online psychological counseling 9 Mindfulness and new
