Zepeda, 2013-10-23 In the third edition of this bestselling book instructional leadership expert Sally Zepeda shares eleven more field tested informal classroom observation tools designed specifically for school personnel working with teachers to assist them in developing their instructional strategies The book includes the most comprehensive set of tools available today for classroom walkthroughs professional development and effective feedback It is an invaluable resource for instructional coaches curriculum coordinators department chairs and school leaders The revised third edition includes 51 tools usable in print on laptop computers or on electronic tablets Strategies for conducting post observation conferences Indexes to browse and choose the tools that best fit your individual needs Federal Register ,2013-05 *Professional Journal of the United States Army* ,2017-03 **Military Review** ,2017

Tour Guides at Memorial Sites and Holocaust Museums Anja Ballis, 2022-05-23 In this volume contributors reflect on how to teach and mediate difficult history from the perspectives of guides Too often their activities are undervalued and taken for granted Guides represent an important often forgotten group of educators This volume takes a global view on guiding at memorial sites and museums in Europe North America and South Africa The contributors to this volume show from different research traditions that it is worth understanding more about the guides personal interests their motivations and their concept of guiding Authors apply methodologies from the social sciences to describe the guides point of view Complementing the various approaches in tour guide research a detailed linguistic analysis sheds light on a survivor s testimony echoed in the guides language The studies gathered in this volume open up an orientation for further approaches to tour guiding based on and centered around authentic materials from guides *South African national bibliography* ,1999 Classified list with author and title index **Formative Assessment** Margaret Heritage, 2021-08-18 Develop the knowledge and skills needed for successful formative assessment Formative assessment is a process used by teachers and students to keep learning moving forward In the 10 years since the first edition of Formative Assessment was published the practice has become a mainstay in classrooms but that does not mean that it is easy Education expert Margaret Heritage walks readers through every step of implementation and offers numerous examples that illustrate formative assessment practices across a range of subjects and grade levels She explains how to articulate learning progressions goals and success criteria select assessment strategies and provide quality feedback engage students in self assessment and self management and create an environment that values feedback as part of the learning process Based on the latest research this second edition addresses College and career readiness standards Common Core State Standards and Next Generation Science Standards Equity and individual learning needs Discipline based and student centered formative assessment Social and emotional learning Written for teachers and those who support them this book will help all educators develop the skills necessary to get students on the path to success *Resisting Domination in Palestine* Alaa Tartir, Timothy Seidel, Tariq Dana, 2024-04-04 This meticulously

curated edited volume presents an assemblage of insightful critical and contemporary perspectives on how Israeli domination has been sustained and reproduced in new forms and means using various mechanisms and techniques of control coloniality and settler colonialism Based on original empirical fieldwork the contributors to this book adopt interdisciplinary and decolonial approaches in their examination of the intricate functions and structures of domination that permeate Palestinian life by illuminating the power dynamics at play and revealing the mechanisms that sustain the settler colonial regime This book identifies sites of colonial control and domination exerted on Palestine by Israel and demonstrates how these sites of control are also sites of Palestinian resistance The first section explores the political sites of control by focusing on governmentality institutions and technologies and mechanisms of control including how Israel manages access to health life and death The second section examines the economic mechanisms of exploitation dispossession and de development including banking taxation and the relationships between finance capital aid and military occupation The third section turns attention to environmental sites of control focusing on land indigeneity space and racial capitalism Finally section four scrutinizes the intellectual sites of control highlighting how norms narratives and knowledge production perpetuate domination
