**The Ultimate Woman's Guide to Male Chastity** Mistress Dede, 2015-11-23 If you are reading this book you are most probably a woman interested in broaching the matter of male chastity. You see this book is all about male chastity in other words self-control. The question is how exactly can this male chastity thing help you and your partner's sex life. You are probably confused and you don't have to worry for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life. You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first the idea of locking your partner's male organ in a device seems strange to you. But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him. To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these thinking that the whole male chastity thing is not for you. However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

**Male Chastity Keyholder Guide** Mistress Dede, 2015-01-08 There is a lot of variety in the world of fetish and kink with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle the practices and games are an essential part of their relationship with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase male chastity probably immediately spooks some men or excites others whether they are willing to admit it or not. Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years and although this be taboo it's something many people talk about behind closed doors. Conveniently hidden under clothes male chastity devices provide necessary restriction for the man

and allowing his dominant complete control over his orgasms These devices are a valuable tool for the modern dominant woman and excellent for contemporary tease and denial games Exploring male chastity can be a fun new game for adventurous couples or a complete long term lifestyle for kinky pairs Whatever the relationship type employing a male chastity device sends a clear message he s on lockdown and she holds the key *Chastity for Men in Relationships* Diane Spencer, Lee Spencer, 2017-12-08 The guide for male chastity extended version since April 2019 So your partner has talked to you about chastity and wants you to check it out He said that he would like to wear a chastity belt or maybe already wears and wants to give you the keys for it and wants you to keep him in chastity Or maybe you are a man and want to be held in chastity but don t know how to convince your girlfriend or wife Congratulations you ve made the right decisions and found the right book Today is your first step into a new life a life of new found sexual activity new desires new passion and intimacy That s why we wrote this book It will help you for your future relationship in chastity because we provide lots of background info to understand chastity and to convince your partner From now on you will find out about chastity and how it can the boring sex life you had beforehand First of all what s chastity While it was something reserved for monks in the medieval today it s something many are in dire need of Permanent porn videos and images have made many men fap instead of looking for a great relationship And strong relationships pass away because he can t or won t That s where chastity comes in If you think it s an unnatural concept you re not alone Please check out the first pages with Amazon s look inside function to get a grasp of chastity for men Read it and take your time Many among us have had the problems we describe here and they have only a failed relationship or marriage to show for Therefore take your time to understand chastity as a new concept a new way of life in modern times in many times men will find chastity as a great way to get back on track Chastity helps for men with erectin problems it helps to re center them and makes the passion come back If you are female and your partner approached you with his wish for chastity it s not something unnatural Neither does he want to turn you into a dominatrix instead he wants to show you how much he really loves you He wants to fire up your relationship That s why you should read this book it contains many tips from us and provides valuable background info We are a couple who started keeping him in chastity 5 years ago and it works better than ever This book is both for women who want to understand and men who want to learn more We have divided this book in two parts Part 1 Introduction Chastity for men what is it why you should consider it what kind of fears do men and women have and why do men want to be held in chastity We present you the advantages and disadvantages of chastity and how to convince your partner to keep you chaste if you re a man Part 2 Chastity in real life we present you the different chastity devices what are chastity belts cock cages what should you consider when buying one and then we answer questions which will inevitably come up for chastity couples What should I do if he wants me to unlock him How long should I let him wait If you want to take chastity seriously now s the moment Check it out **The**
