## **Guide To Spiritual Enlightenment:**

**The Power of Now** Eckhart Tolle, 1999-09-27 Eckhart Tolle is emerging as one of today's most inspiring teachers. In *The Power of Now*, already a word-of-mouth bestseller in Canada, the author describes his transition from despair to self-realization soon after his 29th birthday. Tolle took another ten years to understand this transformation during which time he evolved a philosophy that has parallels in Buddhism, relaxation techniques, and meditation theory but is also eminently practical. In *The Power of Now*, he shows readers how to recognize themselves as the creators of their own pain and how to have a pain-free existence by living fully in the present. Accessing the deepest self, the true self, can be learned, he says, by freeing ourselves from the conflicting, unreasonable demands of the mind and living present fully and intensely in the Now.

**The Power of Now** Eckhart Tolle, 2010-04-06 It's no wonder that *The Power of Now* has sold over 2 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality, the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind, and intensely in the Now, is there Enlightenment.

**Summary of the Power of Now Book Summary, CREATESPACE INDEPENDENT PUB, 2016-07-26** *The Power of Now: A Guide to Spiritual Enlightenment* by Eckhart Tolle Book Summary  
Eckhart Tolle is a spiritual teacher who does not associate with any singular religion. Despite his confidence in his work on Enlightenment, we must not think of him as some prophet sent to us with these teachings. He was merely a man who was looking for a meaning, just like the rest of us. Although Tolle states that we should not look back at the past and allow it to shape us, he does relive his past in his introduction to share with us how he became so enlightened. He questioned, just like a lot of us, what is there for me? It was this question that made him realize his thinking and why he would think it. It was then that he decided to focus on the thinking, watching it and not judging, but try to change it. Through his own transforming experience, he has brought us a way to transform ourselves. To stop thinking, what is there for me to stop thinking in general and realize what we truly have, the present. *The Now Here: Is A Preview Of What You'll Learn You Are Not Your Mind Consciousness The Way Out of Pain Moving Deeply into the Now Mind Strategies for Avoiding the Now The State of Presence The Inner Body Portals into the Unmanifested Enlightened Relationships Beyond Happiness and Unhappiness There Is Peace The Meaning of Surrender The Book at A Glance Conclusion Final Thoughts Now What* Scroll up and click on buy now with 1 Click to Download Your Copy Right Now Tags: the power of now eckhart tolle spiritual spirituality new age the power of now

I will also share with you my personal experience and explain to you concretely how awakening works and its impact on your life. **The Spiritual Guide** Richard White, 2016-11-10. Many people ask How can I live a more spiritual life a life that can ultimately lead to enlightenment. And by way of an answer this book describes four of the most important steps that we can take along the spiritual path: staying open to suffering, living a generous life, cultivating mindfulness and wonder, and accepting death but affirming joy. The Spiritual Guide offers a clear discussion of basic spiritual themes. It does not assume the truth of any given standpoint and it has something to say to all people regardless of their religious affiliation or lack of it. Most of us are profoundly concerned with meaning of life issues but academic philosophy is remote while new age spirituality can be impossibly vague. This book uses parables, philosophical

ideas and stories from a variety of religious and philosophical traditions to illuminate what it means to live in a spiritual way  
The Spiritual Guide is both practical and theoretical and it speaks directly to readers as students of life
