Mark F. Sanders
John L. Bowman

The background of the cover features a detailed, high-magnification microscopic image of biological tissue. It shows various cell types, including what appears to be a large, multi-layered epithelial cell cluster in the center, and several elongated, spindle-shaped cells with long processes extending from them, possibly fibroblasts or smooth muscle cells. The overall color palette is a mix of light blue, green, and yellow, giving it a scientific and somewhat ethereal appearance.
