Sacred Pathways Gary L. Thomas,2015-08-04 Some Christians effortlessly spend hours in contemplative prayer Just being around them makes you wish you were that way Or maybe you are that way but others are far better at showing God s love in practical ways or courageously standing up for God s kingdom Why can t you be like them Maybe you weren t designed to be Sacred Pathways by author Gary Thomas strips away the frustration of a one size fits all spirituality and guides you toward a path of worship that frees you to be you Experienced spiritual directors recognize that all of us pray differently if your devotional times have hit a snag perhaps it is because you re trying to follow someone else s path This book explodes the barriers that keep Christians locked into rigid methods of worship and praise Sacred Pathways unfolds nine distinct spiritual temperaments their traits strengths and pitfalls Illustrated with examples from the Bible and from the author s life experience each one suggests an approach to loving God through a distinctive journey of adoration In one or more you will see yourself and the ways you most naturally express your relationship with Jesus Christ You ll also discover other temperaments that are not necessarily you but that you may wish to explore for the way they can stretch and invigorate your spiritual life Perhaps you are a Naturalist Prayer and praise well up within you when you re walking a forest path or drinking in a mountain s jagged beauty Or maybe you re an Activist Taking a stand for God s ways is your meat and drink Whatever temperament or blend of temperaments best describes you rest assured it s not by accident It s by the design of a Creator who knew what he was doing when he made you according to his own unique intentions If your relationship with God is not what you d like it to be you can change that starting here Sacred Pathways will show you the route you were made to travel marked by growth and filled with the riches of a close walk with God

This book will provide challenges, examples, and hope to women who want to love their husbands well and be loved well in return. Dennis Rainey, President of Family Life. *The Merging of Theology and Spirituality* Larry S. McDonald, 2006-07-29. While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience, Alister McGrath believes that spirituality represents the interface between ideas and life, between Christian theology and human existence. The book explores the centrality of McGrath's theology in the development of his views on spirituality. McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation. Through detailed examination of McGrath's previous work and the writing of other evangelicals, *The Merging of Theology and Spirituality* offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration. *Sacred Pathways Study Guide with DVD* Gary Thomas, 2021-05-11. Discover new ways of connecting with God by understanding how he uniquely created you to worship him. The Sacred Pathways video study will help you learn how you naturally express yourself in your relationship with God. How to develop new ways of drawing near to him. Key biblical figures who share your spiritual temperament. How to understand others who connect with the Creator differently. As believers in Christ, many of us today fall into the trap of thinking we have to approach God in a certain way. But our Creator made us all unique, and he designed us to connect with him in our own ways. For some, this might look like quiet contemplation. Others express praise through caregiving or theological discussions. It's important to discover the particular pathway that will best help you to experience God's presence. Bestselling author and speaker Gary Thomas reveals nine distinct spiritual temperaments to give you insight into how you naturally worship and how your personal walk with God might look different from those around you. Unlike the Enneagram and other personality assessment tools, Sacred Pathways gives you tools to investigate how you naturally relate to God. You will discover the strengths and impulses in your devotional approach so that you can eliminate the barriers that keep you locked into scripted methods of worship and praise. There is one thing that each of us as Christians can do that nobody else can give our personal love and affection to God. This Study Guide DVD pack includes five video teaching sessions from author Gary Thomas on DVD. Streaming video access to all five sessions. Discussion questions, reflection questions, and a personal assessment test to discover your pathway. Personal Bible study for between sessions. A guide with best practices for leading groups. Sessions include: The Journey of the Soul, Introduction to the Pathways, Pathways of Wonder, the Naturalist, Sensate, and Traditionalist, Pathways of Contemplation, the Intellectual, Ascetic, and Contemplative, Pathways of Action, the Caregiver, Activist, and Enthusiast, Tending the Garden of the Soul, How the Pathways Apply to Your Life. **The Glorious Pursuit** Gary L. Thomas, 1998. This examination of the virtues of Christ is the best way to be transformed into His image and experience.
