## Single and Double Element Models, Residential 20-120 Gallon

### Model: RE Series, GE Series, PE Series, SE Series

The purpose of this manual is twofold: one, for the contractor, to provide the installer with tests, directions and recommendations for the proper installation and adjustment of the water heater; two, for the consumer, to explain the features, operation, safety precautions, maintenance and trouble shooting of the water heater. This manual includes a pictorial.

It is requested that all persons who are exposed to install, operate or repair this water heater read the instructions carefully so that they may understand how to perform these operations. If you do not understand these instructions or any terms within it, seek professional advice.

Any questions regarding the operation, maintenance, service or warranty of this water heater should be directed to the dealer from whom it was purchased. If additional information is required, refer to the section "If You Need More..."

Do not destroy this manual. Please read carefully and keep in a safe place for future reference.

Read and understand all instructions of important safety information.
