Extending the Ground of Public Confidence Janie Hubbard,2019-09-09 This book provides a resource for teaching civil liberties in K 12 social studies and teacher education It covers issues like freedom of speech privacy and voting rights with historic and modern perspectives Each chapter includes inquiry based learning activities to help students develop critical skills and uphold civil liberties America's Moment Rework America,2015-06-15 It is time for a new conversation Amid the biggest economic transformation in a century the challenge of our time is to make sure that all Americans benefit from the wave of digital revolutions around the world that have permeated and upended modern life Yet today s economic arguments seem stuck We need a new vision of a hopeful future and a new action agenda So many Americans are uncertain about the future How can there be so many paths to opportunity with so few people traveling them As a nation we have to understand what is required to help Americans succeed now and how to prepare our country for what comes next We have been here before A hundred years ago America experienced the greatest economic transformation and technological revolution in its history The transformation of the past twenty years as the world has moved through the information era into the digital age has turned our life and work upside down once again It is a time of tremendous change but also of tremendous possibility Rework America is a group of American leaders who know from experience the challenges we face and the potential solutions In America s Moment they suggest a practical agenda for an exciting future It is illustrated by people who are already showing the way and includes actions Americans can take today in their own communities preparing people to succeed using the reach of the Internet and data to innovate jobs and to reach new markets all over the world using technology to match employers and workers and transitioning to a no collar working world neither blue collar nor white collar Set against the history of how Americans succeeded once before in remaking their country America s Moment is about the future It describes how the same forces of change technology and a networked world can become tools that can open opportunity to everyone *Rubble Music* Abby Anderton,2019-07-23 As the seat of Hitler s government Berlin was the most frequently targeted city in Germany for Allied bombing campaigns during World War II Air raids shelled celebrated monuments left homes uninhabitable and reduced much of the city to nothing but rubble After the war s end this apocalyptic landscape captured the imagination of artists filmmakers and writers who used the ruins to engage with themes of alienation disillusionment and moral ambiguity In *Rubble Music* Abby Anderton explores the classical music culture of postwar Berlin analyzing archival documents period sources and musical scores to identify the sound of civilian suffering after urban catastrophe Anderton reveals how rubble functioned as a literal figurative psychological and sonic element by examining the resonances of trauma heard in the German musical repertoire after 1945 With detailed explorations of reconstituted orchestral ensembles opera companies and radio stations as well as analyses of performances and compositions that were beyond the reach of the Allied occupiers Anderton demonstrates how German musicians worked through cleared away or

built over the debris and devastation of the war

A Global Idea Maysoun Sukarieh, 2023-08-15 A Global Idea outlines how youth as shown by the Arab Spring uprisings and subsequent state responses became a prominent social and political category during the first two decades of the twenty first century in the Middle East Drawing on ethnographic fieldwork interview data and textual analysis Maysoun Sukarieh explains that the spread of youth as an important category is linked to the operation of a global youth development complex a diverse transnational network of state private sector civil society and international development aid organizations that worked through key urban areas such as Washington DC Amman and Dubai In its analysis of the arrival extension and embedding of the youth development complex in the Middle East during this period A Global Idea addresses a broader question that is of global and not just regional concern How are certain ideas that are central to the working and reproduction of global capitalism able to travel the world so that they are found virtually everywhere

Congressional Record United States. Congress, 2017-10-24 *From Head Shops to Whole Foods* Joshua C. Davis, 2017-08-08 In the 1960s and 70s a diverse range of storefronts including head shops African American bookstores feminist businesses and organic grocers brought the work of the New Left Black Power feminism environmentalism and other movements into the marketplace Through shared ownership limited growth and democratic workplaces these activist entrepreneurs offered alternatives to conventional profit driven corporate business models By the middle of the 1970s thousands of these enterprises operated across the United States but only a handful survive today Some such as Whole Foods Market have abandoned their quest for collective political change in favor of maximizing profits Vividly portraying the struggles successes and sacrifices of these unlikely entrepreneurs *From Head Shops to Whole Foods* writes a new history of social movements and capitalism by showing how activists embraced small businesses in a way few historians have considered The book challenges the widespread but mistaken idea that activism and political dissent are inherently antithetical to participation in the marketplace Joshua Clark Davis uncovers the historical roots of contemporary interest in ethical consumption social enterprise buying local and mission driven business while also showing how today s companies have adopted the language but not often the mission of liberation and social change
