*Macworld*, 1996-07 *Many are called - Can a Christian lose their salvation and be lost?* Heino Weidmann, 2025-10-08 Can a Christian be lost even after conversion baptism and a life of faith This question touches the very heart of the Christian faith and remains one of the most debated issues among Bible believing Christians This book explores whether true followers of Jesus can lose their salvation not on the basis of theological systems but by examining all 545 salvation relevant passages of the New Testament representing about 35 % of its total text The study is unique in the history of theology every verse has been identified systematically categorized and carefully interpreted in its original context The result is a comprehensive and clearly structured synthesis from God s gracious call to the conditions of genuine discipleship from assurance and

preservation to the possibility of falling away Following the structure of the 7 Level Pyramid presented on vielesindberufen de this volume Level 6 offers a clear main thesis intermediate summaries and in depth textual analysis ideal for serious theological readers Bible students small groups or personal study To the best of our knowledge this work ranks among the three most extensive investigations on this subject in the entire history of the Church and may well be the most comprehensive ever written Its methodological breadth and analytical precision make it a pioneering contribution combining systematic clarity exegetical depth and spiritual discernment in a way previously unseen in theological research Many Are Called is both a wake up call to vigilance and a source of deep encouragement for those who truly follow Jesus It invites readers to renewed devotion to a faith that endures and to a life rooted in the unshakable truth of God s Word For all who desire to remain faithful to the end sustained by God s grace strengthened by His Spirit and guided by His Word
