

Life In A Tank

AW Chickering

Life In A Tank:

Life in a Tank Richard Haigh,2012 This book hardcover is part of the TREDITION CLASSICS It contains classical literature works from over two thousand years Most of these titles have been out of print and off the bookstore shelves for decades The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion With this series tredition intends to make thousands of international literature classics available in printed format again worldwide

Life in a Tank Richard Haigh,1918 **Life in a Tank** Richard Haigh,1918 **Life in a Tank (Classic Reprint)** Richard Haigh,2017-12-18 Excerpt from Life in a Tank To the uninitiated as were we in those days when we returned to the Somme too late to see the tanks make their first dramatic entrance the name conjures up a picture of an iron mon ster breathing fire and exhaling bullets and shells hurling itself against the enemy un assailable by man and impervious to the most deadly engines of war sublime indeed in its expression of indomitable power and resolu tion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Life in a Tank Richard Haigh,2015-02-21 corps the training of each individual in an entirely new science for the benefit of the whole would prove a very difficult and painstaking task But the wonderful development however in a few months of a large heterogeneous collection of men into a solid keen self sacrificing unit was but another instance of the way in which war improves the character and temperament of man It was entirely new for men who were formerly in a regiment full of traditions to find themselves in the Life in a Tank Richard Haigh, M. C.,2015-08-04 The first tank book by a tank commander Tanks To the uninitiated the name conjures up a picture of an iron monster breathing fire and exhaling bullets and shells This new branch of the service with no traditions to build upon no history and no laws of tactics has brought out the individual man and made him stand out The tank grew out of the armored motor car and the fighting men inside were cooped up in a space which reminds one of the old torture chambers in which there was no room to sit stand or lie Once inside with the door shut each man has to remain in an atmosphere of petrol and oil unable to see where he is going for only the officer in charge can see when the tank is closed down All the time bullets and shell splinters and bombs are striking the sides and the men inside hear only an unholy din all others are given by signal and none ever knows when some accident such a direct hit or a breakdown will disable his iron home and when he will either be captured or killed as he tries to escape or even worse the petrol may catch fire and he will be roasted alive Such is the description of tank fighting The

men who are engaged in it endure a strain which must even under the best conditions render them unfit for further work after a few years Otago Daily Times Issue 17575 17 March 1919 An informal account of how the tanks got into the big show and of what it means to serve in one of them The Independent Volume 95 1918 A book about one of the marvels of the present war Captain Haigh is the commander of the tank Britannia which all Providence had the opportunity of watching not long ago as it lumbered across Exchange Place He describes his experiences at the front in this strange fighting machine which goes into action at the time of the fiercest fighting Quarterly Bulletin of the Providence Public Library Volumes 16 17 1918 Life in a Tank is described by Richard Haigh M C commander of the tank Britannia He and his companions left the infantry for the tank service because there seemed to be a better sporting chance with a shell than with a bullet and because the new monster had our imagination in thrall The Nation Volume 107 1918 A frank manly free from pose book on a still unfamiliar subject filled with details of the mechanism how the tank works how it feels to be riding in it how and where it goes throughout the book the personal element is used with much skill and humor While horrors are omitted the author describes a near by tank on fire in action and the passing of two comrades pathetic tales told with reserve The last chapter on the philosophy of war is a choice and calm bit of writing containing both comfort and uplift for those who are to see nothing of the real thing and to do little more than wait for the end of the strife SAE Society of Automotive Engineers Journal Volume 2 Issue 2 Volume 3 Issue 6 1918 Contents I The Meaning of the Tank Corps II First Days of Training III Later Days of Training IV Moving up the Line V Preparations for the Show VI The First Battle VII The Second Battle VIII Rest and Discipline IX A Philosophy of War **Engineering and Contracting** ,1918 Engineering & Contracting ,1918
