Guide To Self Publishing:

The Way It Was Wanda S. Brookshire,1999-03 **A Reassuring Guide to Self Publishing** Bev Robitai,2014-11-09 A guide that tells you how to self publish in the simplest cheapest way possible It s for people who sometimes struggle with their computer and don t have a limitless budget to spend on professional services to get their book published The self publishing process isn t hard but it can be intimidating the first time so this guide holds your hand right through every step explaining what to do It doesn t assume you re an expert so it covers the basics keeping things as straightforward as possible It doesn t teach you how to write just to publish If you ve got a finished book manuscript but don t know what to do next the answers are here Once you have a polished edited and proof read book file going through the steps in this guide can put a print copy of your book in your hands in a couple of weeks and make it available worldwide in any format hard copy or ebook It covers things you didn t know you didn t know like the legal requirements of mandatory deposit in the country where you live whether it s the US UK Australia New Zealand or Canada There are tips on pricing and promotion bar codes and taxation ISBNs and all those behind the scenes elements that go into publishing a book No wild promises of riches just an easy to follow guide to get you started

How to Self-Publish Your Book Dr. Jan Yager,2019-08-07 A new world has opened to writers who wish to have their words turned into finished books With technological advances in typesetting printing distribution and sales self publishing has become a reality But while converting your writing into a commercially available title may sound relatively easy based upon the claims of some companies that offer this service there are many important considerations you should be aware of before going to press Publishing expert Dr Jan Yager has created an easy to follow guide that will take you from a book s conception and writing to its production and sales Whether your work is fiction or nonfiction How to Self Publish Your Book offers sound and proven advice at every turn enabling you to avoid common pitfalls along the way to becoming a self published author The book is divided into three parts Part One takes you through the initial manuscript preparation setting your goals writing sequencing editing and proofing as well as creating a business plan for your book s eventual release Part Two focuses on the actual production of your book It explains the importance of cover and interior design what you need to know about producing physical books and e books and how to turn your title into an audiobook Part Three provides key information on how to market and sell your book subjects that are crucial to a title s success but of which most writers have very little understanding Also included is a valuable resource section that guides you to websites which offer essential information on self publishing service providers including complete self publishing companies as well as freelance editors proofreaders printers distributors marketers and publicists Today self publishing workshops and lecturers charge hopeful writers hundreds of dollars promising to turn their self published books into bestsellers The fact is that your book s chance of success starts at its origin not with the finished product However you choose to produce your book whether through a self publishing company or through separate services here is a complete

road map to what lies ahead based not on hype or wishful thinking but on Dr Jan Yager's lifetime of experience in the world of publishing
